The Ministry of Defence has signed a contract with Israel Aerospace Industries for the upgradation and obsolescence management of Barak Point Defence Missile System onboard Indian Navy ships at an overall cost of Rs 1,976.40 crore. The contract, under Other Capital Procurement Procedure, was inked in the presence of Defence Secretary Shri Rajesh Kumar Singh in New Delhi on November 18, 2026.

The upgradation of the system would ensure enhanced features and potent range anti-air defence capability of the Indian Naval platforms. As part of the contract, a comprehensive upgrade of hardware and software of the system would be undertaken.
