Media registration opens for Aero India 2027

Posted On: 19 NOV 2026 3:10PM by PIB Delhi

The registration for media personnel for Aero India 2027 has commenced. This 16th edition of Asia's largest air show and one of the world's premier aerospace & defence exhibitions is scheduled to be held at Air Force Station, Yelahanka in Bengaluru, Karnataka from February 8 to 12, 2027. The mediapersons who are interested in covering the event can register on https://aeroindia.gov.in/. The registration will close on January 4, 2027.

For the registration, applicants must have the following:

- PIB or State accreditation card for accredited journalists and a valid media identity card for non-accredited mediapersons. *(File size not exceeding 1 MB)*
- Government-issued photo identity card for all media personnel. *(File size not exceeding 1 MB)*
- A recent self-photograph. *(File size not exceeding 512 KB)*
- A valid 'J' visa for foreign journalists. *(File size not exceeding 1 MB)*

Organised by the Department of Defence Production, Ministry of Defence, Aero India 2027 will serve as a major global platform bringing together leading aerospace and defence companies, policymakers, technology experts, innovators, industry representatives and defence personnel. The five-day event will feature an extensive exhibition alongside a series of business and strategic engagements, facilitating industry collaborations, government-industry interactions, technology demonstrations and knowledge exchange. A major highlight will be the spectacular aerial displays by the Indian Air Force and participating international flying teams, showcasing cutting-edge aviation technologies and capabilities.

The 16th Aero India is expected to further strengthen India's commitment to Aatmanirbhar Bharat and reinforce its position as a reliable partner in the global aerospace & defence supply chain. The event will provide a major platform for Indian defence industries, including MSMEs and start-ups, to showcase their capabilities, explore new business opportunities and forge partnerships, while fostering investments, exports and technology collaborations.
