COMMISSION DELEGATED REGULATION (EU) 2024/2571

of 19 July 2024

supplementing Regulation (EU) 2024/1157 of the European Parliament and of the Council by establishing the information to be provided in the certificate confirming the completion of a subsequent interim or non-interim recovery operation or a subsequent interim or non-interim disposal operation

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2024/1157 of the European Parliament and of the Council of 11 April 2024 on shipments of waste, amending Regulations (EU) No 1257/2013 and (EU) 2020/1056 and repealing Regulation (EC) No 1013/2006 ⁽¹⁾, and in particular Article 15(6) thereof,

Whereas:

- (1) Regulation (EU) 2024/1157 lays down the prior notification and consent procedure for shipments of certain wastes, including to interim recovery or interim disposal operations.
- (2) Article 15 of that Regulation contains specific provisions relating to shipments of waste to interim recovery and interim disposal operations. The facilities carrying out such interim operations are to be informed by facilities carrying out subsequent waste treatment processes, both interim and non-interim, that these facilities completed the processes for which waste was delivered to them. Such confirmation is to be made in a form of a certificate which should be issued by the facilities which have carried out the subsequent waste treatment process. Through that certificate, those facilities are to confirm the completion of a subsequent interim or non-interim recovery operation or a subsequent interim or non-interim disposal operation,

HAS ADOPTED THIS REGULATION:

Article 1

1. The certificate confirming completion of a subsequent interim or non-interim recovery operation or a subsequent interim or non-interim disposal operation in accordance with Article 15(5) of Regulation (EU) 2024/1157 is set out in Annex I to this Regulation.
2. The specific instructions for completing the certificate set out in Annex I are set out in Annex II to this Regulation.

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

⁽¹⁾ OJ L, 2024/1157, 30.4.2024, ELI: <http://data.europa.eu/eli/reg/2024/1157/oj>.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 July 2024.

For the Commission
The President
Ursula VON DER LEYEN

ANNEX II

Instructions for completing the certificate in accordance with Article 15(5) of Regulation (EU) 2024/1157

1. The interim facility as referred to in Article 15(3) of Regulation (EU) 2024/1157 shall complete blocks 1 and 2 of the certificate and request the subsequent interim or non-interim recovery or subsequent interim or non-interim disposal facility as referred to in Article 15(5) of that Regulation ('subsequent facility') to complete and submit the rest of the certificate.
2. Each subsequent facility shall complete blocks 3 to 8 of the certificate.
3. Blocks 1 and 2 shall be completed with the respective numbers of the corresponding notification document and the corresponding movement document or documents under which the waste arrived in the interim facility as referred to in Article 15(3) of Regulation (EU) 2024/1157.
4. Block 3 contains the information on the subsequent facility.
5. Blocks 4, 5 and 6 refer to the input into the subsequent facility.
6. Block 4 refers to the input into the subsequent facility. To identify the waste, the code that identifies the waste as listed according to Annex IV of Regulation (EU) 2024/1157 or, where applicable, according to Annexes III, IIIA or IIIB of that Regulation shall be stated. The code shall be given according to the system adopted under the Basel Convention (under subheading (i)) or, where applicable, the system adopted in the OECD Decision (under subheading (ii)), Annexes IIIA or IIIB (under subheading (iii)), the list of waste established pursuant to Article 7 of Directive 2008/98/EC (under subheading (iv)), a system in the country of import (under subheading (v)), or other relevant classification systems (under subheading (vi)). For shipments within the Union, in any case a code or codes according to the list of waste established pursuant to Article 7 of Directive 2008/98/EC of the European Parliament and of the Council ⁽¹⁾ shall be provided.
7. Block 5 shall be completed by indicating the date(s) on which the waste was received by the subsequent facility, the quantity in tonnes (Mg) or, where relevant, the volume in m³ of the waste received by that facility.
8. In block 6 a more detailed description of the waste that the subsequent facility received shall be provided compared to the code in block 4, which remains more general.
9. Block 7 refers to the completion of the treatment at the subsequent facility indicated in block 3. The quantities or, where relevant, volumes of waste recovered or disposed of shall be indicated, as well as the relevant R- and D-code of the operations performed.
10. In block 8, the subsequent facility indicated in block 3 shall certify that all the information provided in blocks 3 to 7 is complete and correct, and that it completed the recovery or disposal of the waste described in the certificate.
