4.10.2024

COUNCIL DECISION (EU) 2024/2606

of 23 September 2024

establishing the position to be taken on behalf of the European Union within the Partnership Council established by the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part, as regards modifications to Annex 3 to that Agreement

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 207(4), first subparagraph, in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) The Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part (the 'Trade and Cooperation Agreement'), was concluded by the Union and approved by means of Council Decision (EU) 2021/689 ⁽¹⁾ and entered into force on 1 May 2021.
- (2) Chapter 2 of Title I of Heading One of Part Two of the Trade and Cooperation Agreement, and Annexes 2 to 9 thereto lay down provisions on the definition of originating products and methods of administrative cooperation.
- (3) Pursuant to Article 7(4), point (c), and Article 68 of the Trade and Cooperation Agreement, the Partnership Council may amend Chapter 2, 'Rules of origin', of Title I, 'Trade in Goods', of Heading One, 'Trade', of Part Two, 'Trade, transport, fisheries and other arrangements', and the related annexes such as Annex 3, which establishes the Product Specific Rules of Origin, i.e. the respective working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status and which is currently based on the Harmonised System ('HS') 2017 version.
- (4) The Partnership Council is to adopt a Decision modifying Annex 3 to the Trade and Cooperation Agreement to align the wording of certain chapters, headings or sub-headings and to adapt the product specific rules of origin with the HS 2022 version. For reasons of clarity the Annex should be replaced in its entirety, taking into account the number of amendments that need to be made in the Annex.
- (5) Decision No 1/2023 of the Partnership Council ⁽²⁾ provides that Annex 3 to the Trade and Cooperation Agreement is not to be amended for products listed in Annex 5 to the Trade and Cooperation Agreement, except when the amendment is due to updates of the HS. No amendments are foreseen with regard to products listed in Annex 5 to the Trade and Cooperation Agreement. The draft Decision of the Partnership Council attached to this Decision is therefore in any event compliant with Decision No 1/2023 of the Partnership Council.
- (6) The adoption of the Decision by the Partnership Council is expected to take place in the third quarter of 2024.
- (7) It is appropriate to establish the position to be taken on the Union's behalf within the Partnership Council, as the Decision of the Partnership Council will have legal effect in the Union,

⁽¹⁾ Council Decision (EU) 2021/689 of 29 April 2021 on the conclusion, on behalf of the Union, of the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part, and of the Agreement between the European Union and the United Kingdom of Great Britain and Northern Ireland concerning security procedures for exchanging and protecting classified information (OJ L 149, 30.4.2021, p. 2).

⁽²⁾ Decision No 1/2023 of the Partnership Council established by the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part of 21 December 2023 as regards the transitional product-specific rules of origin for electric accumulators and electrified vehicles (OJ L, 2023/2891, 28.12.2023, ELI: <http://data.europa.eu/eli/dec/2023/2891/oj>).

DRAFT

DECISION No .../... OF THE PARTNERSHIP COUNCIL ESTABLISHED BY THE TRADE AND COOPERATION AGREEMENT BETWEEN THE EUROPEAN UNION AND THE EUROPEAN ATOMIC ENERGY COMMUNITY, OF THE ONE PART, AND THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND, OF THE OTHER PART

of ...

modifying Annex 3 to the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part (Product Specific Rules of Origin)

THE PARTNERSHIP COUNCIL,

Having regard to the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part, and in particular Article 7(4)(c) and Article 68 thereof,

Whereas:

- (1) Pursuant to Articles 7 and 68 of the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part (the 'Trade and Cooperation Agreement'), the Partnership Council may amend Chapter 2, 'Rules of origin', of Title I, 'Trade in Goods', of Heading One, 'Trade', of Part Two, 'Trade, transport, fisheries and other arrangements', and its annexes such as Annex 3, which concerns the Product Specific Rules of Origin indicating the working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status.
- (2) The current Annex 3 to the Trade and Cooperation Agreement contains descriptions of Harmonised System ('HS') chapters, headings or sub-headings and product-specific rules of origin that reflect the HS 2017.
- (3) Amendments were introduced on 1 January 2022 into the Nomenclature governed by the International Convention on the Harmonized Commodity Description and Coding System. The Parties to the Trade and Cooperation Agreement have therefore agreed upon updating Annex 3 to reflect the HS 2022.
- (4) Annex 3 to the Trade and Cooperation Agreement shall be modified to reflect changes in the wording of the HS 2022 chapters, headings or sub-headings.
- (5) For those chapters of the HS, which now include products from other chapters or headings because of the changes to the HS, the product-specific rules of origin were in principle subject to modification to keep the rules unchanged for the products moving to these HS headings. In reality, this was needed in only a few instances (in particular concerning headings 24.03, 24.04, 38.27, 84.79 and 85.24).
- (6) In its Decision No 1/2023, the Partnership Council provided that Annex 3 to the Trade and Cooperation Agreement shall not be amended for products listed in Annex 5 to the Trade and Cooperation Agreement, except when the amendment is due to updates of the HS. This Decision is therefore compliant with Decision No 1/2023 of the Partnership Council.
- (7) For the sake of better readability, the Section and Chapter headings should appear in bold.
- (8) Annex 3 to the Trade and Cooperation Agreement should therefore be modified. Those modifications do not constitute substantive changes to the negotiated rules of origin,

HAS ADOPTED THIS DECISION:

Article 1

Annex 3 to the Trade and Cooperation Agreement containing the Product Specific Rules of Origin is hereby replaced by Annex 3 set out in Annex 1 to this Decision.

Article 2

This Decision shall enter into force 60 days after the date of its adoption.
