## STATEMENT OF OBJECTS AND REASONS

The Panchayats constituted under article 243B of the Constitution of India are the institutions of self-government for rural areas. Section 124 of the Maharashtra Village Panchayats Act (III of 1959) empowers the Panchayat to levy taxes and fees, subject to minimum and maximum rates which may be fixed by the State Government and in such manner and subject to such exemptions as may be prescribed.

2. The taxes and fees are main sources of income of the Panchayats. The provision contained in sub-section (6) of section 176 of the said Act for laying of the draft rules regarding taxes and fees made under section 124, before each House of the State Legislature prior to their final publication defers the implementation of such rules. It may affect the collection of the taxes and fees of the Panchayats and ultimately income of the Panchayats. Therefore, the Government considers it expedient to provide that such rules shall be laid before each House of the State Legislature after they are made similar to laying of other rules made under the said Act. For the above purposes, it is proposed to amend section 176 of the Maharashtra Village Panchayats Act, with retrospective effect, suitably.

3. The Bill seeks to achieve the above objectives.
