Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 2150/2002 of the European Parliament and of the Council of 25 November 2002 on waste statistics ⁽¹⁾, and in particular Article 6(2) thereof,

Having regard to Regulation (EC) No 1552/2005 of the European Parliament and of the Council of 7 September 2005 on statistics relating to vocational training in enterprises ⁽²⁾, and in particular Article 13, first paragraph, thereof,

Having regard to Regulation (EC) No 453/2008 of the European Parliament and of the Council of 23 April 2008 on quarterly statistics on Community job vacancies ⁽³⁾, and in particular Article 5(1) thereof,

Having regard to Regulation (EC) No 1338/2008 of the European Parliament and of the Council of 16 December 2008 on Community statistics on public health and health and safety at work ⁽⁴⁾, and in particular Article 9(1) thereof,

Having regard to Council Regulation (EC) No 530/1999 of 9 March 1999 concerning structural statistics on earnings and on labour costs ⁽⁵⁾, and in particular Article 11, third paragraph, thereof,

Whereas:

- (1) Regulation (EC) No 1893/2006 of the European Parliament and of the Council ⁽⁶⁾ established a common statistical classification of economic activities in the Union (NACE Revision 2; 'NACE Rev. 2'). Since then, globalisation and digitalisation have progressively changed the way in which many economic activities provide goods and services worldwide. As a result, NACE Rev. 2 had to be updated, to maintain its comparability and consistency with the standards for classifying economic activities used at international level. Accordingly, Commission Delegated Regulation (EU) 2023/137 ⁽⁷⁾ amended Regulation (EC) No 1893/2006 and established the updated classification (NACE Revision 2 Update 1; 'NACE Rev. 2.1').

- (2) To enable users to assess the detailed content changes in NACE and be able to compare that previous version of the classification with the updated version thereof (NACE Rev. 2.1), a correspondence table ⁽⁸⁾ was made available to the classification users on 1 August 2023, along with explanatory notes ⁽⁹⁾.
- (3) The large body of legislation setting out data transmission requirements which refer to specific NACE sections, divisions, groups or classes includes Regulations (EC) No 2150/2002 and (EC) No 1552/2005, as well as Commission Regulations (EC) No 1726/1999 ⁽¹⁰⁾, (EC) No 1916/2000 ⁽¹¹⁾, (EC) No 198/2006 ⁽¹²⁾, (EC) No 1062/2008 ⁽¹³⁾ and (EU) No 349/2011 ⁽¹⁴⁾. In order to ensure that those transmission requirements are expressed in terms compatible with the updated classification (NACE Rev. 2.1), those acts should be amended.
- (4) Sections 1 and 8 of Annex I, and Section 1 of Annex II to Regulation (EC) No 2150/2002 refer to specific sections, divisions, groups or classes of NACE Rev. 2 and should therefore be amended.
- (5) Regulation (EC) No 1726/1999 implemented Regulation (EC) No 530/1999 as regards the definition and transmission of information on labour costs. The references to NACE Rev. 2 in Sections A and D of Annex II, and in Annex III to Regulation (EC) No 1726/1999 should therefore be amended.

- (9) Regulation (EU) No 349/2011 implemented Regulation (EC) No 1338/2008 as regards statistics on accidents at work. All three annexes to Regulation (EU) No 349/2011 refer to specific sections, divisions, groups or classes of the common statistical classification of economic activities in the Union, in its form as initially established by Regulation (EC) No 1893/2006. Regulation (EU) No 349/2011 should therefore be amended, so that it is expressed in terms of the requirements that are compatible with the updated version of the statistical classification of economic activities (NACE Rev. 2.1).
