

2025/1793

11.9.2025

COMMISSION IMPLEMENTING DECISION (EU) 2025/1793

of 10 September 2025

amending Implementing Decision (EU) 2024/2944 as regards harmonised standards for domestic cooking appliances burning gas, safety and control devices for gas burners and gas burning appliances, thermoelectric flame supervision devices, gas-fired central heating boilers and automatic vent valves for gas burners and gas burning appliances

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1025/2012 of the European Parliament and of the Council of 25 October 2012 on European standardisation, amending Council Directives 89/686/EEC and 93/15/EEC and Directives 94/9/EC, 94/25/EC, 95/16/EC, 97/23/EC, 98/34/EC, 2004/22/EC, 2007/23/EC, 2009/23/EC and 2009/105/EC of the European Parliament and of the Council and repealing Council Decision 87/95/EEC and Decision No 1673/2006/EC of the European Parliament and of the Council ⁽¹⁾, and in particular Article 10(6) thereof,

Whereas:

- (1) In accordance with Article 13 of Regulation (EU) 2016/426 of the European Parliament and of the Council ⁽²⁾, appliances and fittings which are in conformity with harmonised standards or parts thereof, the references of which have been published in the *Official Journal of the European Union*, are to be presumed to be in conformity with the essential requirements covered by those standards or parts thereof set out in that Regulation.
- (2) By Commission Implementing Decision C(2023) 4789 ⁽³⁾, the Commission made a request to the European Committee for Standardization (CEN) and to the European Committee for Electrotechnical Standardization (CENELEC) for the revision of existing harmonised standards drafted on the basis of standardisation mandate M/BC/CEN/06-89 of 29 April 1990 to ensure that they continue to reflect the generally acknowledged state of the art in order to meet the essential health and safety requirements set out in Annex I to Regulation (EU) 2016/426.
- (3) On the basis of the request set out in Implementing Decision C(2023) 4789, CEN revised several existing harmonised standards. As a result CEN adopted the following revised harmonised standards in support of Regulation (EU) 2016/426: EN 30-2-1:2024 on domestic cooking appliances burning gas for rational use of energy, EN 88-2:2022+A1:2024 and EN 88-3:2022+A1:2024 for safety and control devices for gas burners and gas burning appliances, EN 125:2022+A1:2024 on thermoelectric flame supervision devices for gas burning appliances, EN 15502-2-2:2024 on gas-fired central heating boilers for type B1 appliances, and EN 16304:2022+A1:2024 on automatic vent valves for gas burners and gas burning appliances.
- (4) The Commission, together with CEN, has assessed whether EN 30-2-1:2024, EN 88-2:2022+A1:2024, EN 88-3:2022+A1:2024, EN 125:2022+A1:2024, EN 15502-2-2:2024 and EN 16304:2022+A1:2024 comply with the request set out in Implementing Decision C(2023) 4789.

⁽¹⁾ OJ L 316, 14.11.2012, p. 12, ELI: <http://data.europa.eu/eli/reg/2012/1025/oj>.

⁽²⁾ Regulation (EU) 2016/426 of the European Parliament and of the Council of 9 March 2016 on appliances burning gaseous fuels and repealing Directive 2009/142/EC (OJ L 81, 31.3.2016, p. 99, ELI: <http://data.europa.eu/eli/reg/2016/426/oj>).

⁽³⁾ Commission Implementing Decision C(2023)4789 of 20 July 2023 on a standardisation request to the European Committee for Standardization and the European Committee for Electrotechnical Standardization as regards gas appliances and fittings in support of Regulation (EU) 2016/426 of the European Parliament and of the Council.

- (5) The following harmonised standards satisfy the essential requirements which they aim to cover and which are set out in Regulation (EU) 2016/426: EN 30-2-1:2024, EN 88-2:2022+A1:2024, EN 88-3:2022+A1:2024, EN 125:2022+A1:2024, EN 15502-2-2:2024 and EN 16304:2022+A1:2024. It is therefore appropriate to publish the references of those harmonised standards in the *Official Journal of the European Union*.
- (6) In addition, CEN issued a correction to the harmonised standard EN 15502-2-1:2022+A1:2023 on a specific standard for gas-fired central heating boilers for type C appliances and type B2, B3 and B5 appliances of a nominal heat input not exceeding 1 000 kW, the reference of which is published in the *Official Journal of the European Union* by Commission Implementing Decision (EU) 2024/2944 ⁽⁴⁾. This resulted in harmonised standard EN 15502-2-1:2022+A1:2023 as corrected by EN 15502-2-1:2022+A1:2023/AC:2024. The correction EN 15502-2-1:2022+A1:2023/AC:2024 is indispensable for the correct application of EN 15502-2-1:2022+A1:2023 as a harmonised standard. It is therefore appropriate to publish the reference of EN 15502-2-1:2022+A1:2023 as corrected by EN 15502-2-1:2022+A1:2023/AC:2024 in the *Official Journal of the European Union*.
- (7) The Annex to Implementing Decision (EU) 2024/2944 provides the references of harmonised standards conferring a presumption of conformity with Regulation (EU) 2016/426. In order to ensure that the references of harmonised standards drafted in support of Regulation (EU) 2016/426 are listed in one act, the references of those standards and of a correction to EN 15502-2-1:2022+A1:2023 should be included in that Annex.
- (8) Implementing Decision (EU) 2024/2944 should therefore be amended accordingly.
- (9) Compliance with a harmonised standard confers a presumption of conformity with the corresponding essential requirements set out in Union harmonisation legislation from the date of publication of the reference of such standard in the *Official Journal of the European Union*. This Decision should therefore enter into force on the day of its publication,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Implementing Decision (EU) 2024/2944 is amended in accordance with the Annex to this Decision.

Article 2

This Decision shall enter into force on the day of its publication in the *Official Journal of the European Union*.

Done at Brussels, 10 September 2025.

For the Commission
The President
Ursula VON DER LEYEN

⁽⁴⁾ Commission Implementing Decision (EU) 2024/2944 of 28 November 2024 on the harmonised standards for appliances burning gaseous fuels drafted in support of Regulation (EU) 2016/426 of the European Parliament and of the Council and repealing Commission Implementing Decision (EU) 2024/224 (OJ L, 2024/2944, 2.12.2024, ELI: http://data.europa.eu/eli/dec_impl/2024/2944/oj).

ANNEX

The Annex to Implementing Decision (EU) 2024/2944 is amended as follows:

(1) the following rows are inserted in sequential order:

'2a.	EN 30-2-1:2024 Domestic cooking appliances burning gas - Part 2-1: Rational use of energy – General';
'3a.	EN 88-2:2022+A1:2024 Safety and control devices for gas burners and gas burning appliances - Part 2: Pressure regulators for inlet pressures above 50 kPa up to and including 500 kPa';
'3b.	EN 88-3:2022+A1:2024 Safety and control devices for gas burners and gas burning appliances - Part 3: Pressure and/or flow rate regulators for inlet pressures up to and including 500 kPa, electronic types';
'3c.	EN 125:2022+A1:2024 Flame supervision devices for gas burning appliances - Thermoelectric flame supervision devices';
'14a.	EN 15502-2-2:2024 Gas-fired central heating boilers - Part 2-2: Specific standard for type B1 appliances';
'14b.	EN 16304:2022+A1:2024 Automatic vent valves for gas burners and gas burning appliances';

(2) row 14 is replaced by the following:

'14.	EN 15502-2-1:2022+A1:2023 Gas-fired central heating boilers - Part 2-1: Specific standard for type C appliances and type B2, B3 and B5 appliances of a nominal heat input not exceeding 1 000 kW EN 15502-2-1:2022+A1:2023/AC:2024'.
