- (4) Commission Implementing Decision (EU) 2021/870 ⁽³⁾ cleared the accounts of the Member States' paying agencies concerning expenditure financed by the European Agricultural Guarantee Fund (EAGF) for financial year 2020, except for the Italian paying agency 'Agenzia della Regione Calabria per le Erogazioni in Agricoltura' and the Slovak paying agency 'Pôdohospodárska platobná agentúra'.
- (5) Following the transmission of new information, and after additional checks, the Commission can take a decision on the completeness, accuracy and veracity of the accounts submitted by the Italian paying agency 'Agenzia della Regione Calabria per le Erogazioni in Agricoltura' and the Slovak paying agency 'Pôdohospodárska platobná agentúra' as regards the expenditure financed by the EAGF for financial year 2020.
- (6) Article 33(2), first subparagraph, of Implementing Regulation (EU) No 908/2014 provides that the amounts that are recoverable from, or payable to, each Member State, in accordance with the accounts clearance decision referred to in Article 33(1) of that Implementing Regulation, are to be established by deducting the monthly payments for the financial year concerned, from the expenditure recognised for that year, in accordance with that Article 33(1). The Commission is to deduct that amount from or add it to the monthly payment relating to the expenditure effected in the second month following the clearance of accounts decision.
- (7) Pursuant to Article 41 of Regulation (EU) No 1306/2013, the Commission has already reduced a number of monthly payments to the Member States concerned for the financial year 2020 due to expenditure not effected in accordance with Union rules. Any such amounts are considered in this Decision.
- (8) The Commission has already reduced the relevant monthly payments for the financial year 2020 for the amounts due to the EAGF as a result of financial and conformity clearance decisions for the Member States concerned, pursuant to Articles 51 and 52 of Regulation (EU) No 1306/2013 executed by the Commission in the financial year 2020. Any such amounts are considered in this Decision.
- (9) Pursuant to Article 54(2) of Regulation (EU) No 1306/2013, 50 % of the financial consequences of the non-recovery of irregularities is to be borne by the Member State concerned, if the recovery has not taken place within four years from the date of the recovery request, or within eight years where the recovery is taken in the national courts. Article 54(4) of Regulation (EU) No 1306/2013 requires Member States to attach to the annual accounts that they are to submit to the Commission, pursuant to Article 29 of Implementing Regulation (EU) No 908/2014, a certified table reflecting the amounts to be borne by them under Article 54(2) of Regulation (EU) No 1306/2013. Rules on the application of the Member States' obligation to report the amounts to be recovered are laid down in Implementing Regulation (EU) No 908/2014. Annex II to Implementing Regulation (EU) No 908/2014 sets out the model of the table that Member States are to use to provide information about amounts to be recovered. On the basis of the tables completed by the Member States, the Commission is to decide on the financial consequences of the non-recovery of irregularities older than four or eight years respectively.
- (10) Pursuant to Article 54(3) of Regulation (EU) No 1306/2013, on duly justified grounds, Member States may decide not to pursue recovery. Such a decision may be taken only if the costs already incurred, and likely to be incurred, total more than the amount to be recovered, or if the recovery proves impossible owing to the insolvency, recorded and recognised under national law, of the debtor or the persons legally responsible for the irregularity. If the decision has been taken within four years from the date of the recovery request, or within eight years where the recovery is taken in the national courts, 100 % of the financial consequences of the non-recovery should be borne by the Union budget. The amounts for which a particular Member State decided not to pursue recovery and the grounds for its decision are to be included in the summary report referred to in Article 54(4) of that Regulation. Therefore, such amounts should not be charged to the Member States concerned and are consequently to be borne by the Union budget.
