**DECISION No 1/2025 OF THE EU-MOLDOVA ASSOCIATION COMMITTEE IN TRADE
CONFIGURATION**

of 19 September 2025

**on the reduction and elimination of customs duties pursuant to Article 147(4) of the Association
Agreement between the European Union and the European Atomic Energy Community and their
Member States, of the one part, and the Republic of Moldova, of the other part [2025/1961]**

THE EU-MOLDOVA ASSOCIATION COMMITTEE IN TRADE CONFIGURATION,

Having regard to the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Moldova, of the other part⁽¹⁾, and in particular Article 147(4) and Article 438(3) and (4) thereof,

Whereas:

- (1) The Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Moldova, of the other part (the 'Agreement') was signed on 27 June 2014, has been provisionally applied as of 1 September 2014 and fully entered into force on 1 July 2016.
- (2) Article 147(4) of the Agreement established that, after the entry into force of the Agreement, the Parties may agree to consider accelerating and broadening the scope of the elimination of customs duties on trade between the Parties. A decision of the Association Committee in Trade Configuration, on the acceleration or elimination of a customs duty on a good shall supersede any duty rate or staging category determined pursuant to Annex XV to the Agreement.
- (3) Following Russia's war of aggression against Ukraine, the European Union adopted unilateral trade liberalisation measures for Moldova through its Autonomous Trade Measures (ATMs) of 18 July 2022⁽²⁾, which were renewed in 2023⁽³⁾ and 2024⁽⁴⁾. Following the expiry of the ATMs on 24 July 2025, discussions between the parties have resulted in their agreement to broaden the scope of elimination of customs duties and support Moldova's alignment to the Union acquis which is an important part of Moldova's accession negotiations with the Union.
- (4) The Parties aim to further broaden the scope of the elimination of customs duties under the Agreement. It is therefore appropriate to set out each Party's commitments to reduce or to eliminate customs duties on originating goods of the other Party in the Schedules set out in a new Annex XV-E, which will be incorporated into the Agreement and form an integral part thereof. The Schedules contained in Annex XV-A, XV-B and XV-D to the Agreement will be superseded by the new Annex XV-E to the Agreement, subject to the conditions set out in Annex XV-E.

⁽²⁾ Regulation (EU) 2022/1279 of the European Parliament and of the Council of 18 July 2022 on temporary trade-liberalisation measures supplementing trade concessions applicable to products from the Republic of Moldova under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Moldova, of the other part (OJ L 195, 22.7.2022, p. 6, ELI: <http://data.europa.eu/eli/reg/2022/1279/oj>).

⁽³⁾ Regulation (EU) 2023/1524 of the European Parliament and of the Council of 20 July 2023 on temporary trade-liberalisation measures supplementing trade concessions applicable to products from the Republic of Moldova under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Moldova, of the other part (OJ L 185, 24.7.2023, p. 1, ELI: <http://data.europa.eu/eli/reg/2023/1524/oj>).

⁽⁴⁾ Regulation (EU) 2024/1501 of the European Parliament and of the Council of 14 May 2024 on temporary trade-liberalisation measures supplementing trade concessions applicable to products from the Republic of Moldova under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Moldova, of the other part (OJ L, 2024/1501, 29.5.2024, ELI: <http://data.europa.eu/eli/reg/2024/1501/oj>).

- (5) The Parties acknowledge the dynamic nature of trade relations between the Union and Moldova with an almost 150 per cent increase in trade since the provisional application of the Deep and Comprehensive Free Trade Area of the Agreement. In view of Moldova's accession negotiations with the Union, the gradual integration of Moldova into parts of the Union single market ahead of accession will also continue to strengthen trade relations,

HAS ADOPTED THIS DECISION:
