COMMISSION IMPLEMENTING REGULATION (EU) 2025/2230

of 29 October 2025

amending Implementing Regulation (EU) No 1352/2013 as regards the types of intellectual property rights included in the application form for customs action

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 608/2013 of the European Parliament and of the Council of 12 June 2013 concerning customs enforcement of intellectual property rights and repealing Council Regulation (EC) No 1383/2003 ⁽¹⁾, and in particular Article 6(1) thereof,

After consulting the Customs Code Committee,

Whereas:

- (1) Commission Implementing Regulation (EU) No 1352/2013 ⁽²⁾ establishes in its Annex I the standard form to be used for a request to the customs authorities to take action with respect to goods suspected of infringing an intellectual property right ('the application form'), as referred to in Article 6 of Regulation (EU) No 608/2013.
- (2) In box 5 of the application form, the applicant is to indicate the type of intellectual property right(s) to which the application refers. As some types of intellectual property rights have been updated by means of legal acts listed below, it is necessary to update these types of intellectual property rights in the application form.
- (3) Regulation (EU) 2024/2822 of the European Parliament and of the Council ⁽³⁾ updated the terms 'registered Community design' and 'unregistered Community design' to the terms 'registered EU design' and 'unregistered EU design' respectively. Box 5 of the application form should therefore be updated accordingly.
- (4) Pursuant to Regulation (EU) 2024/1143 of the European Parliament and of the Council ⁽⁴⁾, the term 'for agricultural products and foodstuff' was updated to 'for agricultural products'. Therefore, that term should be updated under the heading 'geographical indication/designation of origin' in box 5 of the application form.
- (5) Following the entry into force of Regulation (EU) 2021/2117 of the European Parliament and of the Council ⁽⁵⁾, it is necessary to delete the designation 'for aromatised drinks based on wine products' from the application form as those products now fall under the category 'for agricultural products'.

⁽¹⁾ OJ L 181, 29.6.2013, p. 15, ELI: <http://data.europa.eu/eli/reg/2013/608/oj>.

⁽²⁾ Commission Implementing Regulation (EU) No 1352/2013 of 4 December 2013 establishing the forms provided for in Regulation (EU) No 608/2013 of the European Parliament and of the Council concerning customs enforcement of intellectual property rights (OJ L 341, 18.12.2013, p. 10, ELI: http://data.europa.eu/eli/reg_impl/2013/1352/oj).

⁽³⁾ Regulation (EU) 2024/2822 of the European Parliament and of the Council of 23 October 2024 amending Council Regulation (EC) No 6/2002 on Community designs and repealing Commission Regulation (EC) No 2246/2002 (OJ L, 2024/2822, 18.11.2024, ELI: <http://data.europa.eu/eli/reg/2024/2822/oj>).

⁽⁴⁾ Regulation (EU) 2024/1143 of the European Parliament and of the Council of 11 April 2024 on geographical indications for wine, spirit drinks and agricultural products, as well as traditional specialties guaranteed and optional quality terms for agricultural products, amending Regulations (EU) No 1308/2013, (EU) 2019/787 and (EU) 2019/1753 and repealing Regulation (EU) No 1151/2012 (OJ L, 2024/1143, 23.4.2024, ELI: <http://data.europa.eu/eli/reg/2024/1143/oj>).

⁽⁵⁾ Regulation (EU) 2021/2117 of the European Parliament and of the Council of 2 December 2021 amending Regulations (EU) No 1308/2013 establishing a common organisation of the markets in agricultural products, (EU) No 1151/2012 on quality schemes for agricultural products and foodstuffs, (EU) No 251/2014 on the definition, description, presentation, labelling and the protection of geographical indications of aromatised wine products and (EU) No 228/2013 laying down specific measures for agriculture in the outermost regions of the Union (OJ L 435, 6.12.2021, p. 262, ELI: <http://data.europa.eu/eli/reg/2021/2117/oj>).

- (6) Regulation (EU) 2023/2411 of the European Parliament and of the Council ⁽⁶⁾ introduced a new system for the protection of geographical indications for craft and industrial products in the Union. As those intellectual property rights fall within the scope of Regulation (EU) No 608/2013, applicants should be able to request customs authorities to take action with respect to goods suspected of infringing those rights. Accordingly, geographical indications for craft and industrial products should be included in the types of rights to which the application refers in box 5 of the application form.
- (7) Implementing Regulation (EU) No 1352/2013 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Implementing Regulation (EU) No 1352/2013 is amended as follows:

- (1) Annex I is replaced by the text in Annex I to this Regulation;
- (2) In Annex III, Part I, box 6, sentence 3 is replaced by the following:

‘In case Northern Ireland (XI) is indicated, the application shall be a Union application and can only be granted for protection with respect to any of the following intellectual property rights which are protected in Northern Ireland by virtue of Windsor Framework ^(*):

- (a) geographical indications or designations of origin protected for agricultural products and wines, as well as geographical indications protected for spirit drinks, as provided for in Regulation (EU) 2024/1143 of the European Parliament and of the Council ^(**);
- (b) geographical indications for craft and industrial products as provided for in Regulation (EU) 2023/2411 of the European Parliament and of the Council ^(***).

^(*) The Windsor Framework is the new way in which the Protocol on Ireland / Northern Ireland is referred to in accordance with Joint Declaration No 1/2023 of the Union and the United Kingdom in the Joint Committee established by the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community of 24 March 2023, OJ L 102, 17.4.2023, p. 87.

^(**) Regulation (EU) 2024/1143 of the European Parliament and of the Council of 11 April 2024 on geographical indications for wine, spirit drinks and agricultural products, as well as traditional specialities guaranteed and optional quality terms for agricultural products, amending Regulations (EU) No 1308/2013, (EU) 2019/787 and (EU) 2019/1753 and repealing Regulation (EU) No 1151/2012 (OJ L, 2024/1143, 23.4.2024, ELI: <http://data.europa.eu/eli/reg/2024/1143/oj>).

^(***) Regulation (EU) 2023/2411 of the European Parliament and of the Council of 18 October 2023 on the protection of geographical indications for craft and industrial products and amending Regulations (EU) 2017/1001 and (EU) 2019/1753, OJ EU L, 2023/2411, 27.10.2023, ELI: <http://data.europa.eu/eli/reg/2023/2411/oj>.

⁽⁶⁾ Regulation (EU) 2023/2411 of the European Parliament and of the Council of 18 October 2023 on the protection of geographical indications for craft and industrial products and amending Regulations (EU) 2017/1001 and (EU) 2019/1753 (OJ L, 2023/2411, 27.10.2023, ELI: <http://data.europa.eu/eli/reg/2023/2411/oj>).

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Personal data protection and the central database for the processing of applications for action.

This privacy statement explains the reasons for processing your personal data, the way they are collected, handled and the way protection of all your personal data is ensured.

The competent customs authority of a Member State are the controller(s) of the processing operation. To this respect the controller(s) processes personal data contained in this application in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

The European Commission acts as a processor on behalf of Member States and processes personal data contained in this application in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

The purpose of the processing of personal data of the application for action is the enforcement of intellectual property rights (IPR) by customs authorities in the Union, in accordance with Regulation (EU) No 608/2013 of the European Parliament and of the Council of 12 June 2013 concerning customs enforcement of intellectual property rights.

The legal basis for processing the personal data for the enforcement of IPR are Articles 31 and 33 of Regulation (EU) No 608/2013.

The processing activity of the Commission, acting on behalf of Member States and within their mandate, consists of storing and maintaining of the personal data related to applications for action and its attachments in the central database COPIS. This includes maintaining adequate technical and organizational arrangements for the reliable and secure operation of the database COPIS. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. The access to personal data is granted on a need-to-know basis and via personal accounts to authorised personnel of Member States custom authorities and the European Commission. The contact point within the European Commission for questions on the processing activity in COPIS is Directorate-General for Taxation and Customs Union: TAXUD-DP-COPIS@ec.europa.eu.

For a deeper analysis of the infringements data and to improve the understanding of the geographical scope and impact of infringements of IPR, the Commission within the mandate provided by the Member States will send, together with the infringement data, the name of the respective holder of the decision based on which the customs acted to the European Union Intellectual Property Office. The record reference of EUIPO's processing operation is DPR-2019-051

Replies to data fields marked with an * and to at least one of the fields marked "+" are obligatory to be filled in. In case of failure to fill in these obligatory data, the application shall be rejected.

Customs authorities will delete the data no later than six months from the date the decision granting the application has been revoked or the relevant period during which customs authorities are to take action has expired. The period during which customs authorities are to take action shall be specified by the competent customs department when granting the application and shall not exceed one year from the day following the date of adoption of the decision granting the application. However, where customs authorities have been notified of proceedings initiated to determine a possible infringement of goods under the application, they will delete the data no later than six months after the proceedings have been concluded in a final way.

In case of a data breach, the customs authorities in the Member States will fulfil their obligations in compliance with their duties stipulated in the GDPR. Where that personal data breach is likely to result in a high risk to your rights and freedoms the customs authorities in the Member States are committed to inform you immediately in order to allow you to take the necessary precautions.

You are at any given moment entitled to access and rectify your personal data in case the data is inaccurate or incomplete.

You have the rights to (if applicable) request restriction of processing or erasure ('right to be forgotten'), to object to the processing, to withdraw your consent, and not to be subject to automated individual decision making, including profiling. All requests shall be submitted to and processed by the competent customs department where the application was submitted. For the list of competent customs departments in the Member States see

https://ec.europa.eu/taxation_customs/sites/taxation/files/resources/documents/customs/customs_controls/counterfeit_piracy/right_holders/defend-your-rights_en.pdf.

If you feel that your rights are violated in any way, you are entitled to file a complaint with the National Supervisory Authority responsible for data protection (contact info here: https://edpb.europa.eu/about-edpb/board/members_en) following the applicable national procedure. If you have comments, questions or any concerns regarding the collection and use of your personal data, please feel free to contact Data Protection Officer (DPO) in the Member State's Customs Organisation. If your complaint concerns an action of the European Commission, you should lodge it with the European Data Protection Supervisor.

Personal data protection and the central database for the processing of applications for action.

This privacy statement explains the reasons for processing your personal data, the way they are collected, handled and the way protection of all your personal data is ensured.

The competent customs authority of a Member State are the controller(s) of the processing operation. To this respect the controller(s) processes personal data contained in this application in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

The European Commission acts as a processor on behalf of Member States and processes personal data contained in this application in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

The purpose of the processing of personal data of the application for action is the enforcement of intellectual property rights (IPR) by customs authorities in the Union, in accordance with Regulation (EU) No 608/2013 of the European Parliament and of the Council of 12 June 2013 concerning customs enforcement of intellectual property rights.

The legal basis for processing the personal data for the enforcement of IPR are Articles 31 and 33 of Regulation (EU) No 608/2013.

The processing activity of the Commission, acting on behalf of Member States and within their mandate, consists of storing and maintaining of the personal data related to applications for action and its attachments in the central database COPIS. This includes maintaining adequate technical and organizational arrangements for the reliable and secure operation of the database COPIS. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. The access to personal data is granted on a need-to-know basis and via personal accounts to authorised personnel of Member States custom authorities and the European Commission. The contact point within the European Commission for questions on the processing activity in COPIS is Directorate-General for Taxation and Customs Union: TAXUD-DP-COPIS@ec.europa.eu.

For a deeper analysis of the infringements data and to improve the understanding of the geographical scope and impact of infringements of IPR, the Commission within the mandate provided by the Member States will send, together with the infringement data, the name of the respective holder of the decision based on which the customs acted to the European Union Intellectual Property Office. The record reference of EUIPO's processing operation is DPR-2019-051

Replies to data fields marked with an * and to at least one of the fields marked "+" are obligatory to be filled in. In case of failure to fill in these obligatory data, the application shall be rejected.

Customs authorities will delete the data no later than six months from the date the decision granting the application has been revoked or the relevant period during which customs authorities are to take action has expired. The period during which customs authorities are to take action shall be specified by the competent customs department when granting the application and shall not exceed one year from the day following the date of adoption of the decision granting the application. However, where customs authorities have been notified of proceedings initiated to determine a possible infringement of goods under the application, they will delete the data no later than six months after the proceedings have been concluded in a final way.

In case of a data breach, the customs authorities in the Member States will fulfil their obligations in compliance with their duties stipulated in the GDPR. Where that personal data breach is likely to result in a high risk to your rights and freedoms the customs authorities in the Member States are committed to inform you immediately in order to allow you to take the necessary precautions.

You are at any given moment entitled to access and rectify your personal data in case the data is inaccurate or incomplete.

You have the rights to (if applicable) request restriction of processing or erasure ('right to be forgotten'), to object to the processing, to withdraw your consent, and not to be subject to automated individual decision making, including profiling. All requests shall be submitted to and processed by the competent customs department where the application was submitted. For the list of competent customs departments in the Member States see

https://ec.europa.eu/taxation_customs/sites/taxation/files/resources/documents/customs/customs_controls/counterfeit_piracy/right_holders/defend-your-rights_en.pdf.

If you feel that your rights are violated in any way, you are entitled to file a complaint with the National Supervisory Authority responsible for data protection (contact info here: https://edpb.europa.eu/about-edpb/board/members_en) following the applicable national procedure. If you have comments, questions or any concerns regarding the collection and use of your personal data, please feel free to contact Data Protection Officer (DPO) in the Member State's Customs Organisation. If your complaint concerns an action of the European Commission, you should lodge it with the European Data Protection Supervisor.
