

DECISION OF THE EEA JOINT COMMITTEE No 187/2025

of 19 September 2025

amending Annex I (Veterinary and phytosanitary matters) and Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement [2026/33]

THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area ("the EEA Agreement"), and in particular Article 98 thereof,

Whereas:

- (1) Commission Implementing Regulation (EU) 2024/2598 of 4 October 2024 laying down the list of third countries or regions thereof authorised for the entry into the Union of certain animals and products of animal origin intended for human consumption in accordance with Regulation (EU) 2017/625 of the European Parliament and of the Council as regards the application of the prohibition on the use of certain antimicrobial medicinal products <sup>(1)</sup> is to be incorporated into the EEA Agreement.
- (2) This Decision concerns, *inter alia*, legislation regarding live animals other than fish and aquaculture animals and animal products such as ova, embryo and semen. Legislation concerning these matters shall not apply to Iceland, as specified in paragraph 2 of the Introductory Part of Chapter I of Annex I to the EEA Agreement.
- (3) This Decision concerns legislation regarding veterinary matters and foodstuffs. Legislation regarding veterinary matters and foodstuffs shall not apply to Liechtenstein as long as the application of the Agreement between the European Community and the Swiss Confederation on trade in agricultural products is extended to Liechtenstein, as specified in the sectoral adaptations to Annex I and the introduction to Chapter XII of Annex II to the EEA Agreement. This Decision is therefore not to apply to Liechtenstein.
- (4) Annexes I and II to the EEA Agreement should therefore be amended accordingly,
