THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1025/2012 of the European Parliament and of the Council of 25 October 2012 on European standardisation, amending Council Directives 89/686/EEC and 93/15/EEC and Directives 94/9/EC, 94/25/EC, 95/16/EC, 97/23/EC, 98/34/EC, 2004/22/EC, 2007/23/EC, 2009/23/EC and 2009/105/EC of the European Parliament and of the Council and repealing Council Decision 87/95/EEC and Decision No 1673/2006/EC of the European Parliament and of the Council <sup>(1)</sup>, and in particular Article 10(6) thereof,

Whereas:

- (1) In accordance with Article 9(2) of Directive 2009/125/EC of the European Parliament and of the Council <sup>(2)</sup>, Member States are to regard a product for which harmonised standards have been applied, the reference numbers of which have been published in the *Official Journal of the European Union*, as conforming to all the relevant requirements of the applicable implementing measure to which such standards relate. Article 4 of Commission Regulation (EU) 2019/1784 <sup>(3)</sup> and Annex III thereto lay down the relevant measurement and calculation requirements for welding equipment.
- (2) By Commission Implementing Decision C(2018) 3309 <sup>(4)</sup> the Commission made a request to the European Committee for Standardisation (CEN) and the European Committee for Electrotechnical Standardisation for the drafting of harmonised standards in support of Commission Regulation (EU) 2019/1784 ('the request').
- (3) On the basis of the request, CEN drafted standard EN 14717 on welding and allied processes.
- (4) The Commission together with the CEN, has assessed whether the standard EN 14717:2024 complies with the request.
- (5) The standard EN 14717:2024 satisfies the requirements which it aims to cover, and which are set out in Regulation (EU) 2019/1784. It is therefore appropriate to publish the reference of that standard in the *Official Journal of the European Union*.
- (6) Compliance with a harmonised standard confers a presumption of conformity with the corresponding essential requirements set out in Union harmonisation legislation from the date of publication of the reference of such standard in the *Official Journal of the European Union*. This Decision should therefore enter into force on the date of its publication,
