COMMISSION DELEGATED DECISION (EU) 2023/2424

of 28 July 2023

specifying the content and format of the questions and laying down the additional set of predetermined questions for the European Travel Information and Authorisation System (ETIAS) pursuant to Articles 17(5) and (6) of Regulation (EU) 2018/1240 of the European Parliament and of the Council

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2018/1240 of the European Parliament and of the Council of 12 September 2018 establishing a European Travel Information and Authorisation System (ETIAS) and amending Regulations (EU) No 1077/2011, (EU) No 515/2014, (EU) 2016/399, (EU) 2016/1624 and (EU) 2017/2226 ⁽¹⁾, and, in particular, Article 17(5) and (6) thereof,

Whereas:

- (1) Regulation (EU) 2018/1240 established the European Travel Information and Authorisation System (ETIAS) for third-country nationals exempt from the requirement to be in possession of a visa when crossing the external borders. It laid down the conditions and procedures for issuing or refusing a travel authorisation.
- (2) As part of the ETIAS application form to be completed by each applicant, applicants should provide information related to their criminal convictions, their stays in specific war or conflict zones and decisions requiring them to leave the territory or to return, as well as related additional questions. This Decision should specify the content and format of the questions on those points.
- (3) Where applicants answer affirmatively to any of the questions referred to above, they will be required to provide answers to an additional set of predetermined questions. This Decision should also lay down the content and format of related additional sets of questions and answers. For the latter, the applicant should choose answers from a predetermined list of answers.
- (4) The list related to a stay in a specific war or conflict zone should be based on reliable and commonly recognised data reported on subnational-level specific war or conflict zones. To that end, the list should be established on the basis of data published by independent and internationally recognised institutes dedicated to the distribution of knowledge about the emergence, course and settlement of political conflicts.
- (5) The application forms should be designed so as to ensure that family members of a Union citizen to whom Directive 2004/38/EC of the European Parliament and of the Council ⁽²⁾ applies or of a national of a third country enjoying the right of free movement equivalent to that of Union citizens under an agreement between the Union and its Member States on the one hand and a third country on the other should not reply to questions that relate to decision(s) requiring them to leave the territory or to return.
- (6) This Decision is without prejudice to the application of Directive 2004/38/EC and of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community ⁽³⁾.

⁽¹⁾ OJ L 236, 19.9.2018, p. 1.

⁽³⁾ Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community (OJ L 29, 31.1.2020, p. 7).

Denmark is therefore bound by this Decision.
- (8) This Decision constitutes a development of the provisions of the Schengen *acquis* in which Ireland does not take part ⁽⁴⁾; Ireland is therefore not taking part in the adoption of this Decision and is not bound by it or subject to its application.

Article 1

Subject

This Decision establishes the format and contents of the questions and answers to be included in the application form for the purposes of Article 17(4) of Regulation (EU) 2018/1240 and the additional set of predetermined questions and answers pursuant to Article 17(6) of that Regulation.

Article 2

Content and format of questions and predetermined set of questions and answers related to criminal offences to be declared in the application form

1. The applicant shall be presented with the following questions:

- (a) *'Have you been convicted in the last 15 years of one or more of the criminal offences listed below?';* and
- (b) *'Have you been convicted in the last 25 years for terrorist offences?'*.

In relation to point (a), the applicant shall be presented at the same time with a list containing the criminal offences listed in the Annex to Regulation (EU) 2018/1240. The applicant shall be requested to answer the question for each criminal offence by selecting an answer from a predetermined list comprised of the fields 'yes' and 'no'. The applicant shall also be presented with the option to answer 'no' all at once for the criminal offences listed in relation to point (a).

In relation to the question referred to in point (b), the applicant shall be requested to answer by selecting an answer from a predetermined list comprised of the fields 'yes' and 'no'.

2. Where a positive reply is provided for the questions referred to in paragraph 1, the applicant shall be presented with:

- (a) the following instruction: *'Please indicate the country of conviction as well as the date of each conviction and provide answers to the additional questions.'*;
- (b) a predetermined list of countries;
- (c) a fixed format field for the completion of the dates (day – if available/month as word/year); and
- (d) a predetermined list of additional questions.

For the purpose of point (c), it shall not be possible to select a conviction date earlier than 15 years for criminal offences or 25 years for terrorist offences from the date of the application. In addition, the applicant shall be informed that the word 'conviction date' shall be understood as the date of the official judgment issued by a court.

For each category of criminal offences, the applicant shall be able to record multiple convictions, countries and dates.

3. The predetermined list of additional questions referred to in paragraph 2, point (d), shall be the following:

- (a) *'Is the conviction final?';* and
- (b) *'Have you completed that sentence?'*.

The applicant shall be requested to answer the questions referred to in points (a) and (b) by selecting an answer from a predetermined list comprised of the fields 'yes' and 'no'.

For the purpose of point (a), the applicant shall be informed that the word 'final' shall be understood as convictions that cannot be subject to further appeal at national level.

4. For the predetermined list of countries, the ISO 3166-1 standard shall apply (or newer version), including countries that no longer exist but have existed in the last 25 years.

Article 3

Content and format of questions and predetermined set of questions and answers related to a stay in specific war or conflict zones to be declared in the application form

1. The applicant shall be presented with:

- (a) the following question: *'Have you stayed in one or more of the following areas in the past 10 years?'*;
- (b) a predetermined list of countries within which the specific war or conflict zones, established in accordance with Annexes I and II, are located, containing, for each country, selectable fields 'yes' and 'no'; and
- (c) for each country selected as 'yes', a predetermined list of specific war or conflict zones located within that country and established in accordance with Annexes I and II, containing, for each war or conflict zone, selectable fields 'yes' and 'no'.

The applicant shall also be presented with the option to answer 'no' all at once for the countries listed in relation to point (b) or for the specific war or conflict zones listed in relation to point (c). Where the applicant answers 'no' all at once for the countries listed in relation to point (b), the ETIAS information system shall automatically answer 'no' for all the specific war or conflict zones listed in relation to point (c).

2. Where a positive reply is provided to the question referred to in paragraph 1, the applicant shall be presented with:

- (a) the following instruction: *'For each area selected as 'yes', please indicate the period(s) and the main reason(s) of each stay. Where required, please provide replies to additional questions.'*;
- (b) a fixed format field for the selection of the start and end of the period (day – if available/month as word/year) for each area selected and the possibility to enter multiple periods; and
- (c) reasons and sub-reasons for each stay.

For the purpose of point (b), it shall not be possible to select a start date of a period earlier than 10 years from the date of the application. The applicant shall be informed that, if their stay started on a date earlier than 10 years from the date of application but finished on a date within that 10-year period, the applicant shall select the earliest applicable date as the start date of their stay.

The ETIAS information system shall determine automatically, based on the applicant's reply, whether the applicant was present in an area in a period during which it was considered to be a specific war or conflict zone, in accordance with Annex II to this Decision. For the purpose of the application form, the ETIAS information system shall only record those relevant periods of stay.

3. The reason(s) and sub-reason(s), where applicable, referred to in paragraph 2, point (c), shall be:
