COUNCIL DECISION (CFSP) 2026/1218

of 4 June 2026

on an assistance measure under the European Peace Facility to support the Lebanese Armed Forces

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 28(1) and Article 41(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) Council Decision (CFSP) 2021/509 ⁽¹⁾ establishes the European Peace Facility (EPF) for the financing by Member States of Union actions under the common foreign and security policy to preserve peace, prevent conflicts and strengthen international security pursuant to Article 21(2), point (c), of the Treaty. In particular, pursuant to Article 1(2) of Decision (CFSP) 2021/509, the EPF is to be used for the financing of assistance measures such as actions to strengthen the capacities of third States and regional and international organisations relating to military and defence matters.
- (2) The 2016 Global Strategy for the Union's Foreign and Security Policy sets the objectives of strengthening security and defence, investing in the resilience of states and societies to the south of the Union, developing an integrated approach to conflict and crises, including compliance with international human rights law and international humanitarian law.
- (3) On 21 March 2022, the Council approved the Strategic Compass, with the objective for the Union of becoming a stronger and more capable security provider, including through the increased use of the EPF in support of partners' defence capabilities.
- (4) In its conclusions of 18 April 2024, the European Council reaffirmed the Union's objective to work with all partners in the Middle East to avoid further escalation of tensions, notably in Lebanon. It underlined the Union's commitment to support the stability of Lebanon.
- (5) In its conclusions of 19 December 2024, the European Council welcomed the ceasefire agreement of 27 November 2024 between Israel and Lebanon, following the mediation efforts undertaken in particular by France and the United States. It urged the parties to implement the ceasefire as agreed, and called for the full and symmetrical implementation of United Nations Security Council Resolution 1701 (2006). The European Council recalled in that context the fundamental stabilisation role of the United Nations Interim Force in Lebanon (UNIFIL) in southern Lebanon. The Union will continue to support the Lebanese State's sovereignty, territorial integrity and state-building efforts, including by contributing to the strengthening of the Lebanese Armed Forces (LAF). The European Council called on Lebanese political leaders to take the necessary action to overcome the political and economic impasse, including the swift election of a president.
- (6) In its conclusions of 20 March 2025, the European Council welcomed the end of the political impasse in Lebanon and expressed the Union's readiness to work with the new authorities to stabilise the economic and security situation in the country. The European Council reiterated its call on the parties to implement the terms of the 27 November 2024 ceasefire agreement and for the implementation of United Nations Security Council Resolution 1701 (2006).

⁽¹⁾ Council Decision (CFSP) 2021/509 of 22 March 2021 establishing a European Peace Facility, and repealing Decision (CFSP) 2015/528 (OJ L 102, 24.3.2021, p. 14, ELI: <http://data.europa.eu/eli/dec/2021/509/oj>).

- (7) On 15 December 2025, the Union and Lebanon held the ninth EU–Lebanon Association Council and expressed their willingness to further support the Lebanese security sector through the full use of Union tools, including the EPF.
- (8) Following the escalation of violence in the Middle-East, the High Representative of the Union for Foreign Affairs and Security Policy (the ‘High Representative’) alerted against the risk of Lebanon being drawn into a war that is not theirs, with severe humanitarian consequences, and called for Lebanon’s sovereignty and territorial integrity to be respected, while reaffirming the Union’s commitment to stand by Lebanon and its people.
- (9) In April 2026, the High Representative received a request from Lebanon for the Union to assist the LAF with the procurement of key equipment to increase their capacities to monitor, control and secure Lebanon’s territory as well as ensure that State’s monopoly on arms, while improving the LAF’s wellbeing, ecosystem and professionalisation.
- (10) Assistance measures are to be implemented taking into account the principles and requirements set out in Decision (CFSP) 2021/509, in particular compliance with Council Common Position 2008/944/CFSP ⁽²⁾, and in line with the rules for the implementation of revenue and expenditure financed under the EPF.
- (11) The Council reaffirms its determination to protect, promote and fulfil human rights, fundamental freedoms and democratic principles and to strengthen the rule of law and good governance, in compliance with the Charter of the United Nations, with the Universal Declaration of Human Rights and with international law, in particular international human rights law and international humanitarian law,
