

2026/1464

29.6.2026

COUNCIL DECISION (CFSP) 2026/1464

of 26 June 2026

on an assistance measure under the European Peace Facility to support the Togolese Armed Forces

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 28(1) and Article 41(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) Council Decision (CFSP) 2021/509 ⁽¹⁾ establishes the European Peace Facility (EPF) for the financing by Member States of Union actions under the common foreign and security policy to preserve peace, prevent conflicts and strengthen international security pursuant to Article 21(2), point (c), of the Treaty. In particular, pursuant to Article 1(2) of Decision (CFSP) 2021/509, the EPF is to be used for the financing of assistance measures such as actions to strengthen the capacities of third States and regional and international organisations relating to military and defence matters.
- (2) On the occasion of the tenth anniversary of the Yaoundé Code of Conduct, the Union and its Member States reiterated their support for the Gulf of Guinea (GoG) region and renewed their commitment to enhancing maritime security in the area.
- (3) On 4 May 2022, the Council approved the concept of a possible assistance measure benefiting the GoG coastal States, with the overarching objective to support African-led maritime security and anti-piracy activities conducted by military actors in the GoG to ultimately reduce the incidence, duration and intensity of violence and criminality and to protect Navy vessels, coastal populations and the livelihoods of coastal populations.
- (4) The GoG continues to face maritime security risks related to, *inter alia*, piracy, armed robbery, trafficking and illegal, unregulated and unreported fishing (IUU), which amplify global instability. A major challenge remains in developing the presence at sea of coastal navies. Togo, which participates in the Yaoundé Architecture, is exposed to those maritime security risks, in particular given the renewed insecurity in its maritime zone.
- (5) On 2 October 2025, the High Representative of the Union for Foreign Affairs and Security Policy received a request from Togo for the Union to assist the Togolese Armed Forces with the procurement of key equipment to enhance the capacity of the Togolese Navy to conduct surveillance and operational activities in the territorial sea and the Exclusive Economic Zone of Togo, including in the framework of the Yaoundé Architecture.
- (6) Assistance measures are to be implemented taking into account the principles and requirements set out in Decision (CFSP) 2021/509, in particular compliance with Council Common Position 2008/944/CFSP ⁽²⁾, and in line with the rules for the implementation of revenue and expenditure financed under the EPF.
- (7) The Council reaffirms its determination to protect, promote and fulfil human rights, fundamental freedoms and democratic principles and to strengthen the rule of law and good governance, in compliance with the Charter of the United Nations, with the Universal Declaration of Human Rights and with international law, in particular international human rights law and international humanitarian law,

HAS ADOPTED THIS DECISION:

⁽¹⁾ Council Decision (CFSP) 2021/509 of 22 March 2021 establishing a European Peace Facility, and repealing Decision (CFSP) 2015/528 (OJ L 102, 24.3.2021, p. 14, ELI: <http://data.europa.eu/eli/dec/2021/509/oj>).

⁽²⁾ Council Common Position 2008/944/CFSP of 8 December 2008 defining common rules governing control of exports of military technology and equipment (OJ L 335, 13.12.2008, p. 99, ELI: <http://data.europa.eu/eli/compos/2008/944/oj>).
