authorisation of the biocidal product family ‘Sure Lactic Family’**

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 528/2012 of the European Parliament and of the Council of 22 May 2012 concerning the making available on the market and use of biocidal products ⁽¹⁾, and in particular Article 50(2) thereof,

Whereas:

- (1) On 26 June 2024, Commission Implementing Regulation (EU) 2024/1767 ⁽²⁾ granted a Union authorisation, under number EU-0029485-0000, to Diversey Europe Operations B.V. for the making available on the market and use of the biocidal product family ‘Sure Lactic Family’. The Annex to that Implementing Regulation provides the summary of product characteristics for that biocidal product family.
- (2) Commission Implementing Regulation (EU) No 354/2013 ⁽³⁾ lays down the procedural rules for the different categories of changes referred to in Article 50(3) of Regulation (EU) No 528/2012.
- (3) On 10 October 2024 and 15 April 2025, Diversey Europe Operations B.V. submitted to the European Chemicals Agency (‘the Agency’), in accordance with Article 11(1) of Commission Implementing Regulation (EU) 354/2013, notifications of administrative changes to the Union authorisation of the biocidal product family ‘Sure Lactic Family’. The notifications were recorded in the Register for Biocidal Products (‘Register’) under case numbers BC-QN100379-26 and BC-MN105456-31. The notified proposed changes to that authorisation concern the change in the pack size, the modification of the address of the authorisation holder and the modification of the office address of the biocidal product manufacturer.
- (4) On 25 October 2024 and 14 May 2025, the Agency submitted to the Commission, in accordance with Article 11(3) of Implementing Regulation (EU) No 354/2013, opinions ⁽⁴⁾ on the notified administrative changes to the Union authorisation for the biocidal product family ‘Sure Lactic Family’. In its opinions, the Agency concluded that the proposed changes are administrative changes as referred to in Article 3(1)(aa), of Regulation (EU) No 528/2012 and as specified in Title 1, Sections 1 and 2, of the Annex to Implementing Regulation (EU) No 354/2013, and that, after the implementation of the changes, the conditions of Article 19 of Regulation (EU) No 528/2012 will still be met.
- (4) On 14 May 2025, the Agency transmitted to the Commission a revised summary of product characteristics for the biocidal product family ‘Sure Lactic Family’ in all official languages of the Union, covering the administrative changes applied for, in accordance with Article 11(6) of Implementing Regulation (EU) No 354/2013.

- (5) The Commission concurs with the opinion of the Agency and therefore considers it appropriate to amend the Union authorisation of the biocidal product family 'Sure Lactic Family' to introduce the administrative changes requested by Diversey Europe Operations B.V.
- (6) In order to enhance clarity and to ease the access of users and interested parties to the consolidated version of the summary of product characteristics which is to be published by the Agency, the Annex to Implementing Regulation (EU) 2024/1767 should be replaced in its entirety.
- (7) Implementing Regulation (EU) 2024/1767 should therefore be amended accordingly,
