

PM condoles the passing of Dr. Jayant Narlikar

Posted On: 20 MAY 2025 1:49PM by PIB Delhi

The Prime Minister Shri Narendra Modi today condoled the passing of Dr. Jayant Narlikar, a luminary in the field of astrophysics.

He wrote in a post on X:

“The passing of Dr. Jayant Narlikar is a monumental loss to the scientific community. He was a luminary, especially in the field of astrophysics. His pioneering works, especially key theoretical frameworks will be valued by generations of researchers. He made a mark as an institution builder, grooming centres of learning and innovation for young minds. His writings have also gone a long way in making science accessible to common citizens. Condolences to his family and friends in this hour of grief. Om Shanti.”
