In alignment with the Rights of Persons with Disabilities (RPwD) Act, 2016, the Directorate of Estates has issued an Office Memorandum to ensure fair access to central government residential accommodations for persons with disabilities.

Going forward, a reservation of 4% in the allotment of central government housing will be provided to persons with disabilities, marking a substantial move towards equity, dignity, and accessibility in public services.

This initiative reflects the government's dedication to the empowerment of every citizen and also strengthens the foundation of an inclusive and accessible India.
