

Union Home Minister and Minister of Cooperation, Shri Amit Shah, holds meeting on the cleaning of Yamuna, drinking water, and sewage system in Delhi, directs to work with a holistic approach

The Yamuna is not just a river, but also a symbol of faith for us, which is why its cleanliness is a priority for the Modi government

Ministry of Jal Shakti should create an SOP for all Sewage Treatment Plants that establishes standards for their quality, maintenance, and discharge; SOP should also be shared with all other states

Any plan we make regarding Yamuna, drinking water, and drainage in Delhi should be made with the next 20 years in mind

Delhi Jal Board plays an important role in the cleaning of Yamuna, it is necessary to strengthen it, vacant posts in Delhi Jal Board should be filled immediately

For water supply in Delhi, the Jal Board should strengthen the water distribution structure along with preventing leakage in the pipelines

Union Home Minister and Minister of Cooperation Shri Amit Shah, in a high-level meeting in New Delhi today, directed to adopt a holistic approach to clean the Yamuna River, ensure drinking water supply, and improve sewage systems in Delhi. The meeting was attended by Union Housing and Urban Affairs Minister Shri Manohar Lal, Union Jal Shakti Minister Shri C.R. Patil, Delhi Chief Minister Smt. Rekha Gupta, Union Home Secretary, Secretaries of the Ministry of Housing and Urban Affairs and Ministry of Jal Shakti, Delhi's Chief Secretary, and several senior officials from the Central and Delhi Governments.

Addressing the meeting, the Union Home Minister and Minister of Cooperation stated that the Yamuna is not just a river but also a symbol of faith, making its cleanliness a priority for the Modi government. Shri Shah said that the Ministry of Jal Shakti should develop a Standard Operating Procedure (SOP) for all Sewage Treatment Plants (STPs), establishing standards for their quality, maintenance, and discharge. He emphasized that this SOP should also be shared with other states.

Shri Amit Shah stressed that plans for the Yamuna, drinking water, and drainage in Delhi should be made with a 20-year vision. He highlighted the crucial role of the Delhi Jal Board in cleaning the Yamuna and emphasized the need to strengthen it, directing immediate filling of vacant posts in the Board.

Union Home Minister underscored the need to enhance Delhi's water distribution efficiency, stating that effective water management is essential to ensure drinking water supply across the city. He said, for water supply in Delhi, the Jal Board should strengthen the water distribution structure along with preventing leakage in the pipelines. Shri Shah also emphasized the use of world-class technology for desilting drains.
