The Prime Minister, Shri Narendra Modi today said that over the past 11 years, India has witnessed remarkable advancements in its defence sector, marked by a clear focus on modernisation and self-reliance in defence production.

Prime Minister expressed pride in the collective resolve of the people of India and the unwavering determination to propel India towards greater self-sufficiency and technological excellence in defence.

Responding to a post on X by MyGovIndia, Shri Modi stated:

“The last 11 years have marked significant changes in our defence sector, with a clear focus on both modernisation and becoming self reliant when it comes to defence production. It is gladdening to see how the people of India have come together with the resolve of making India stronger! #11YearsOfRakshaShakti”
