

PM shares an article on how India's Technical Textiles Sector is witnessing rapid growth

Posted On: 10 JUN 2025 12:39PM by PIB Delhi

The Prime Minister Shri Narendra Modi today shared an article on how India's technical textiles sector is undergoing a transformative phase, propelled by key government initiatives such as the National Technical Textiles Mission (NTTM) and the Production Linked Incentive (PLI) scheme. These efforts are significantly enhancing domestic manufacturing, fostering innovation, and driving exports, positioning India as a global leader in technical textiles.

Responding to a post by Union Minister Shri Giriraj Singh on X, Shri Modi said:

“India's technical textiles sector is witnessing rapid growth, driven by key initiatives like the National Technical Textiles Mission and the PLI scheme. These efforts are boosting manufacturing, innovation and exports, positioning India as a global leader, writes Union Minister Shri @girirajsinghbjp.”
