

Prime Minister highlights 11 Years of Infrastructure Revolution in India

Posted On: 11 JUN 2025 10:17AM by PIB Delhi

Prime Minister Shri Narendra Modi marked a significant milestone in India's growth journey, celebrating 11 Years of Infrastructure Revolution, a decade-plus of transformative infrastructure development that has propelled the nation forward. Shri Modi emphasized India's outstanding strides in infrastructure—spanning railways, highways, ports, and airports—leading to enhanced connectivity, economic expansion, and improved Ease of Living and enhanced prosperity for citizens.

He reiterated that India's push for next-generation infrastructure is driven by sustainability and long-term vision, laying the foundation of a self-reliant India.

Responding to separate posts by MyGovIndia on X, Shri Modi wrote:

“It’s been #11YearsOfInfraRevolution, with outstanding infrastructure being added that has enhanced India’s growth trajectory. From railways to highways, ports to airports, India’s rapidly expanding infra network is boosting ‘Ease of Living’ and enhancing prosperity.”

“India’s push for next-gen infrastructure is powered by sustainability and long term vision. It is laying the foundations of a self-reliant India!
