The Prime Minister Shri Narendra Modi today shared an article on how the Government has leveraged technology to transform women and child welfare.

Responding to a post by Union Minister Smt Annapurna Devi on X, the Prime Minister's Office said:

"Union Minister @Annapurna4BJP Ji writes about how the Government has leveraged technology to transform women and child welfare. Initiatives like Poshan Tracker, a dedicated grievance redressal module and direct benefit transfers are driving real-time, impactful change across the country."
