

MOIL scales new heights in Apr-June, 2025

Registers record quarterly production since inception

Posted On: 03 JUL 2025 11:33AM by PIB Delhi

Continuing its robust growth trajectory, MOIL recorded its highest-ever June production of 1.68 lakh tonnes of manganese ore, marking a 2% increase over the corresponding period last year.

During April-June, 2025 period also, MOIL has registered the following notable achievements:

- Best ever quarterly production of 5.02 lakh tonnes, higher by 6.8% over CPLY.
- Best ever Q1 exploratory core drilling of 34,900 meters, which is higher by 16.2% over CPLY.

Expressing satisfaction over the results, Shri Ajit Kumar Saxena, CMD of MOIL, said the company's resounding performance in April-June '25 reflects its strong fundamentals and continued growth outlook.
