

India (World Economic Forum) WEF 'Skills Accelerator initiative'

Posted On: 23 JUL 2025 4:54PM by PIB Delhi

The Ministry of Skill Development and Entrepreneurship (MSDE), in collaboration with the World Economic Forum (WEF), deliberated on the "India Skills Accelerator" initiative during a high-level roundtable on 08.04.2025 at Kaushal Bhawan in New Delhi.

The 'India Skills Accelerator' aims to close these gaps through inclusive upskilling and reskilling, mobilizing investment in lifelong learning, and fostering government-industry collaboration. By enabling agile career transitions, promoting scalable training, and aligning education with industry need - especially in high-growth sectors like AI, robotics, and energy - the initiative is to empower India's youth and drive future-ready workforce development. The initiative has robust private sector participation with 02 out of 04 co-chairs from the private sector.

This information was given by the Minister of State (Independent Charge), Ministry of Skill Development and Entrepreneurship (MSDE), Shri Jayant Chaudhary in a written reply in the Rajya Sabha today.
