She said that such regular interactions at the highest levels, including through the ISMR will provide continued momentum to our multifaceted ties.

The President appreciated the strong stand of Singapore against terrorism following the heinous attack in Pahalgam, Jammu & Kashmir.

The President said that Singapore is a key partner in India's Act East Policy, MAHASAGAR Vision and Indo-Pacific Vision. We have strong partnerships in the areas of trade, investment, defence, culture, education, and people-to-people exchanges. She stated that it is a matter of satisfaction that the partnership is now also expanding into emerging areas of cooperation such as skilling, green economy, and FinTech.
