

PM hails India's milestone towards self-reliance in achieving 100 GW Solar PV Module Manufacturing Capacity and efforts towards popularising clean energy

Posted On: 13 AUG 2025 8:25PM by PIB Delhi

The Prime Minister Shri Narendra Modi today hailed the milestone towards self-reliance in achieving 100 GW Solar PV Module Manufacturing Capacity and efforts towards popularising clean energy.

Responding to a post by Union Minister Shri Pralhad Joshi on X, the Prime Minister said:

“This is yet another milestone towards self-reliance! It depicts the success of India's manufacturing capabilities and our efforts towards popularising clean energy.”

This is yet another milestone towards self-reliance! It depicts the success of India's manufacturing capabilities and our efforts towards popularising clean energy. <https://t.co/ZLMkhtSx8u>
