

LOK SABHA SPEAKER GREETES THE NATION ON THE EVE OF INDEPENDENCE DAY

Posted On: 14 AUG 2025 6:26PM by PIB Delhi

Lok Sabha Speaker, Shri Om Birla has greeted the nation on the eve of Independence Day.

In his message, Shri Birla said, "My dear countrymen and brothers and sisters of Kota-Bundi, I extend my heartfelt congratulations and best wishes to all of you on the 79th Independence Day. This day of 15th August awakens a sense of pride and self-respect in the heart of every Indian. On this day, we pay heartfelt tribute to countless freedom fighters, revolutionaries and national heroes whose unwavering struggle, sacrifice, and dedication secured our independence.

It is a matter of great pride that today, India stands as the world's largest democracy and one of its leading economies. We have emerged as a global leader in diverse fields such as science, medicine, technology, space, and sports. Today's India is defined by self-respect and self-reliance. We must safeguard this hard-won freedom, uphold its dignity, and strive to build a more prosperous nation for future generations.

There was a time when 40 crore Indians turned the dream of an independent India into reality through their unwavering hard work. Today, I am confident that 140 crore Indians, through their collective efforts, will fulfil the vision of a prosperous nation. This Independence Day, let us pledge to fulfill all our duties with sincerity, loyalty and dedication.

With these sentiments, I once again extend my greetings and best wishes to all of you on Independence Day.

Bharat Mata ki Jai."
