

NHAI Successfully Implements FASTag Annual Pass Across the Country

Posted On: 15 AUG 2025 8:42PM by PIB Delhi

In line with the vision of the Prime Minister Shri Narendra Modi to encourage use of technology and enhance 'Ease of Living' for the citizens, NHAI has successfully implemented the 'FASTag Annual Pass' facility from 15th August 2025 at about 1,150 Toll Plazas on National Highways and Expressways across the country.

The Annual Pass has received an overwhelming response from the National Highway users. Till 7 PM on the first day of implementation, around 1.4 lakh users purchased & activated the annual pass and around 1.39 lakh transactions were recorded on toll plazas. Around 20,000 – 25,000 concurrent users are using Rajmargyatra App at any point of time and annual pass users are receiving SMS messages for zero deduction of toll fee.

NHAI officials and Nodal officers have been appointed on each toll plaza to ensure a smooth travel experience for the pass users. NHAI is addressing queries of the pass users through various channels. Also, to address the grievances of pass users, 1033 National Highway Helpline has been further strengthened with the addition of over 100 executives.

Providing a seamless and economical travel option to the National Highway users, the FASTag Annual Pass eliminates the need to frequently recharge FASTag through one-time fee payment of Rs. 3,000 for one year validity or 200 toll plaza crossings. The FASTag Annual Pass is applicable for all non-commercial vehicles with a valid FASTag and gets activated within two hours of the one-time fee payment through Rajmargyatra App or NHAI website.

With a penetration rate of around 98 percent and over 8 crore users, FASTag has revolutionized the Electronic Toll Collection system in the country. The introduction of the Annual Pass facility will not only enhance the FASTag user experience but will also make journeys on the National Highways & Expressways more economical and seamless.
