Posted On: 19 AUG 2025 2:57PM by PIB Delhi

The Ministry launched New National Cooperation Policy, 2025 on 24th July, 2025. This policy provides a roadmap and overarching framework for systematic and all-round development of the cooperative sector.

The Policy mission is to achieve 16 objectives over the next 10 years, grouped under six strategic mission pillars which is enclosed at **Annexure-I**. Further, majority of the policy points are under implementation.

A platform cooperative is a cooperatively owned and democratically governed business that uses technology to sell products. Based on this and the Principles of “Sahkar se Samridhi”, a taxi service cooperative, named Sahkar Taxi Cooperative Limited has been registered under the Multi-State Cooperative Societies Act, 2002, to develop app based taxi service on a cooperative model that benefits both driver-members and customers. Rooted in the principles of cooperation, transparency, and shared ownership, Sahakar Taxi aims to offer a people- centric alternative to traditional ride-hailing platforms. The app is in the developing stage and the pilot project is likely to be launched in Delhi and Gujarat.

The project is being promoted by the National Cooperative Development Corporation (NCDC) with the support of seven leading cooperative organizations: IFFCO, NAFED, Amul, KRIBHCO, NDDDB, NCEL & NABARD, based on the principals of cooperation among cooperatives.

In accordance with section 19 of the amended Multi-State Cooperative Societies (MSCS) Act, 2002 (amended in 2023), any MSCS may, by a resolution passed at general meeting by a majority of members present and voting, promote one or more subsidiary institutions, which may be registered under any law for the time being in force, for the furtherance of its stated objects.

Further, the society may invest or deposit its funds in accordance with section 64 of the above Act in:- (i) A Co-operative Bank, State Co-operative Bank, cooperative land development bank or Central Co-operative Bank; (ii) in any of the securities issued by the Central Government, State Government, Government Corporations, Government Companies, Authorities, Public Sector Undertakings or any other securities ensured by Government guarantees; (iii) in the shares or securities of any other Multi-State Co-operative Society or any co-operative Society; (iv) in the shares, securities and assets of a subsidiary institution or any other institution, in the same line of business as the Multi-State Co-operative Society; (v) with any other scheduled or nationalized bank; (vi) in such other manner as may be determined by the Central Government.

A total of 1779 MSCS have been registered under the MSCS Act, 2002 in the country (state- wise breakup is enclosed at **Annexure-II**), out of which, 8 MSCS have been registered in state of Chhattisgarh. Detailed list of the registered societies in state of Chhattisgarh is enclosed at **Annexure-III**.
