

PLISFPI Boosts Food Processing with 1,726 Cr Incentives, 35 Lakh MT Capacity, and 3.39 Lakh Jobs

Indian Processed Food Exports Under PLI Scheme Grow at 13.23% CAGR Since 2019-20

Demand of Indian Products in Global Markets

Posted On: 21 AUG 2025 3:22PM by PIB Delhi

The incentives under the PLISFPI are admissible where the entire chain of manufacturing processes, including primary processing of the food products applied for coverage under the scheme takes place in India. Total export of agricultural processed food products of the applicants approved under PLISFPI has increased with a Compound Annual Growth Rate (CAGR) of 13.23% as on 2024-25 with reference to 2019-20. The scheme does not cover floricultural production.

278 food processing units of 170 applicants have been approved under various categories of the Production Linked Incentive Scheme for Food Processing Industry (PLISFPI) implemented by Ministry of Food Processing Industries (MoFPI) across the country. A total of ₹ 1726.60 crore has been released as incentives till June 2025. State-wise details are at **Annexure**.

The scheme has led to increase in food processing capacity of 35.00 lakh MT per annum in the Country. State-wise data is not maintained.

The total number of about 3.39 lakhs, both Direct and Indirect employment, have been generated so far under the PLISFPI. The State-wise data is not maintained.
