Posted On: 31 AUG 2025 9:15AM by PIB Delhi

In continuation of the Public Notice dated August 22, 2025, the Department of Posts has reviewed the suspension of booking of mail to the United States of America.

In view of the ongoing inability of carriers to transport U.S.-bound mail and in the absence of defined regulatory mechanisms, it has been decided to **completely suspend the booking of all categories of mail, including letters, documents, and gift items valued up to USD 100, destined for the USA.**

The Department is closely monitoring the situation and making every effort to restore services at the earliest. Customers who have already booked items that could not be dispatched may claim a refund of postage.

The inconvenience caused to valued customers is sincerely regretted.
