

PM shares an article underlining India's Resilient Growth amid Global Challenges

Posted On: 01 SEP 2025 5:58PM by PIB Delhi

The Prime Minister Shri Narendra Modi today shared an article that underlined India's Resilient Growth amid Global Challenges.

Responding to a post on X by Union Minister Shri Hardeep Singh Puri, Shri Modi wrote:

“Resilience defines India's economic journey and growth story. From digital transformation to energy security and the green transition, India has consistently turned challenges into opportunities. A must-read article by Union Minister Shri @HardeepSPuri.”
