Prime Minister Shri Narendra Modi today underscored the transformative impact of the latest GST reforms on India's manufacturing sector. The #NextGenGST initiative introduces simplified tax slabs, streamlined digital compliance, and cost efficiencies that are set to significantly boost domestic production and competitiveness.

Responding to a post by Shri Prakash Dadlani on X, Shri Modi said:

"#NextGenGST is a game-changer for manufacturers. Lower input costs with simplified slabs of 5% & 18%, faster digital compliance and rising demand will give a big boost to 'Made in India' products."
