

Department of Health Research to participate in Special Campaign 5.0 from 2nd to 31st October 2025 to promote Swachhata and reduce pendency

Campaign to be implemented across DHR, ICMR Headquarters, and its 27 institutes nationwide

e-waste disposal, office cleanliness, and record management to be prioritized during the campaign

Posted On: 16 SEP 2025 12:27PM by PIB Delhi

Reaffirming its commitment to Swachhata, the Department of Health Research will implement Special Campaign 5.0 to institutionalize cleanliness practices and minimize pendency in the Department, ICMR Headquarters, and its 27 institutes across the nation.

The department will take the necessary action during the preparatory as well as implementation phase, taking into account the focus area of the Campaign this year i.e. disposal of e-waste. Instructions have already been issued for identifying the e-waste for its disposal during the implementation phase of the Campaign i.e. 02nd October – 31st October, 2025.

Department of Health Research along with ICMR and its 27 institutes across the country will also focus on improving overall cleanliness in offices, liquidating pendency in the PMO's/MP's references, etc. and ensuring adherence to record management systems. The Department has already issued an office memorandum in this regard on 15th September 2025.

During the Special Campaign 5.0, dedicated efforts will be made to achieve the targets identified during the preparatory phase and to ensure saturation of Swachhata in all the offices related to the Department of Health Research. The progress of the campaign will be monitored on a regular basis by the Nodal officer.
