Prime Minister Shri Narendra Modi today highlighted the growing recognition of India's healthcare transformation as a key pillar of national development. In a recent article, renowned cardiac surgeon Dr. Devi Prasad Shetty underscored how initiatives like Ayushman Bharat, POSHAN Abhiyaan, and Swachh Bharat are not only improving public health outcomes but also strengthening the economy.

In a post on X, the Prime Minister said:

“Dr. Devi Prasad Shetty writes that India's healthcare is now a key driver of economic growth. Initiatives like Ayushman Bharat, POSHAN Abhiyaan and Swachh Bharat are reducing disease, protecting household savings and building human capital. Seeing health as an investment, not a cost, is boosting governance and prosperity.”
