

PM to visit Uttar Pradesh and Rajasthan on 25th
September

PM to lay foundation stone and inaugurate multiple
development projects worth over Rs 1,22,100 crore
at Banswara

Power sector projects to include Clean Energy and
Transmission projects worth over Rs 91,770 crore

In a major boost to nuclear energy sector, PM to lay
foundation stone of Mahi Banswara Rajasthan
Atomic Power Project

PM to inaugurate PM KUSUM projects of Rajasthan,
Maharashtra, Madhya Pradesh and Karnataka, worth
over Rs 16,050 crore

PM to flag off three trains from Rajasthan,
significantly improving connectivity between the state
and the northern region

PM to distribute more than 15,000 appointment
letters to newly appointed youth in Government
departments and organizations in Rajasthan

PM to inaugurate Uttar Pradesh International Trade Show-2025 at Greater Noida

Theme of the Trade Show: Ultimate Sourcing Begins Here

Posted On: 24 SEP 2025 5:52PM by PIB Delhi

Prime Minister Shri Narendra Modi will visit Uttar Pradesh and Rajasthan on 25th September. He will inaugurate the Uttar Pradesh International Trade Show-2025 at Greater Noida at around 9:30 AM. He will also address the gathering on the occasion.

Thereafter, Prime Minister will visit Rajasthan and lay the foundation stone and inaugurate multiple development projects worth Rs 1,22,100 and address a public function at Banswara at around 1:45 PM. He will also interact with PM Kusum beneficiaries.

PM in Uttar Pradesh

In line with his commitment to Make in India, Vocal for Local and Aatmanirbhar Bharat, Prime Minister will inaugurate the Uttar Pradesh International Trade Show-2025 (UPITS-2025) at Greater Noida in Gautam Buddha Nagar district.

The trade show, under the theme “Ultimate Sourcing Begins Here”, will be held from 25th to 29th September. It will have three core objectives- innovation, integration, and internationalization. A three-pronged buyer strategy will target international buyers, domestic Business-to-business (B2B) buyers, and domestic Business-to-Consumer (B2C) buyers, providing opportunities for exporters, small businesses, and consumers alike.

UPITS-2025 will highlight the state’s diverse craft traditions, modern industries, robust MSMEs, and emerging entrepreneurs on a single platform. Key sectors that will be represented include handicrafts, textiles, leather, agriculture, food processing, IT, electronics, AYUSH among others. It will also feature Uttar Pradesh’s rich art, culture, and cuisine under one roof.

Russia will participate as a partner country adding strategic significance opening avenues for bilateral trade, technology exchange, and long-term cooperation. Over 2,400 exhibitors; 1,25,000 B2B visitors; and 4,50,000 B2C visitors will participate in the trade show.

PM in Rajasthan

Prime Minister will lay the foundation stone and inaugurate multiple development projects of the central and state government worth over Rs 1,22,100 crore at Banswara.

In line with his commitment to transform India’s power sector to ensure affordable, reliable, and sustainable power supply for all, Prime Minister will lay the foundation stone of Anushakti Vidhyut Nigam Ltd’s (ASHVINI) Mahi Banswara Rajasthan Atomic Power Project (4X700 MW) worth around Rs 42,000 crore. It will be one of the largest nuclear plants in the country supplying reliable base load energy and will strengthen India’s position in the environmental stewardship and evolving nuclear energy landscape. Furthering the spirit of Aatmanirbhar Bharat, Mahi Banswara Rajasthan Atomic Power Project comprises four indigenous 700 MW Pressurized Heavy Water Reactors with advanced safety features, designed and developed by NPCIL. It is part of India’s broader “fleet mode” initiative, where ten identical 700 MW reactors are being built across India under uniform design and procurement plans. The project will bring in cost efficiencies, faster

deployment, and consolidated operational expertise.

In a major boost to India's clean energy infrastructure, Prime Minister will inaugurate and lay the foundation stone of green energy projects worth around Rs 19,210 crore in Rajasthan. He will inaugurate solar projects at Phalodi, Jaisalmer, Jalore, Sikar among others. He will also lay the foundation stone of the solar project at Bikaner. Additionally, he will also lay the foundation stone of a Solar Park at Ramagiri in Andhra Pradesh. The projects will significantly contribute to India's clean energy capacity, generating substantial amounts of green power while preventing millions of tonnes of carbon dioxide emissions.

Prime Minister will also lay the foundation stone of three power transmission projects worth over Rs 13,180 crore under Renewable Energy Zone (REZ) initiative of Government of India, which aims to develop 181.5 GW of renewable energy capacity by 2030 across eight states. To ensure efficient dispersal of this renewable power towards load centers and to enhance grid stability, PowerGrid is implementing key transmission systems for Rajasthan REZ.

It includes 765 KV transmission lines from Beawar in Rajasthan to Mandsaur in Madhya Pradesh and extension of associated substations; from Sirohi in Rajasthan to Mandsaur and to Khandwa in Madhya Pradesh along with augmentation of transformation capacity at Sirohi Substation and extension at Mandsaur & Khandwa Substations; and 765 KV & 400 KV transmission line from Bikaner in Rajasthan to Siwani and Fatehabad in Haryana and further to Patran in Punjab along with establishment of substations at Bikaner and extension of Siwani substation. Cumulatively, these projects will facilitate seamless transfer of 15.5 GW green energy from generation hubs in Rajasthan to demand centers in beneficiary states across India.

Prime Minister will lay the foundation stone of three Grid Substations (GSS) which include 220 KV and associated lines at Jaisalmer and Bikaner. He will also inaugurate a 220 KV GSS at Shiv in Barmer district. These projects, worth over Rs 490 crore, will significantly contribute to ensuring energy security in the region.

In line with his commitment to empower farmers, Prime Minister will inaugurate Feeder Level Solarization projects of 3517 MW, worth over Rs 16,050 crore, in the states of Rajasthan, Maharashtra, Madhya Pradesh and Karnataka under PM-KUSUM (Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan) Scheme (Component C). The agricultural feeders are being solarized to ensure affordable, reliable, and sustainable irrigation power benefitting lakhs of farmers by lowering electricity costs, cutting irrigation expenses, and promoting rural energy self-reliance.

In a major boost to Ramjal Setu Link Project and furthering his vision of water security, Prime Minister will lay the foundation stone and inaugurate multiple water resources projects in Rajasthan worth over Rs 20,830 crore. He will lay the foundation stone for the construction of various feeders from Isarda, construction of Mor Sagar artificial reservoir in Ajmer district and its feeder from Chittorgarh. Other works include intake pump house at Bisalpur Dam, rejuvenation of Khari feeder and various other feeder canal works. Prime Minister will also inaugurate Isarda Dam, Dholpur Lift Project, Takli Project among others.

In line with his commitment to safe and clean drinking water for all, Prime Minister will lay the foundation stone for major drinking water supply projects, worth over Rs 5,880 crore, in Banswara, Dungarpur, Udaipur, Sawai Madhopur, Churu, Ajmer, Bhilwara districts among others under the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0.

In a major boost to road infrastructure, Prime Minister will lay the foundation stone of construction of flyovers at Bharatpur city, a bridge over the Banas River, and 116 Atal Pragati Path projects. He will also inaugurate and dedicate to the nation multiple road projects related to National and State Highways in Barmer, Ajmer, Dungarpur districts among others. These projects worth over Rs 2,630 crore will improve regional road connectivity, ensure smoother traffic and enhance road safety.

Prime Minister will also inaugurate a 250-bed RBM Hospital in Bharatpur, an IT Development and E-Governance Centre in Jaipur, sewerage system including treatment plants and pumping stations in Makrana

city, and sewerage and water supply project in Mandawa and Jhunjhunu district.

In a major boost to rail connectivity, Prime Minister will flag off three trains, Vande Bharat Express Train between Bikaner & Delhi Cantt, Vande Bharat Express Train between Jodhpur & Delhi Cantt and Udaipur City – Chandigarh Express. These trains will significantly improve connectivity between Rajasthan and other northern states.

Furthering his vision of employment for all, distribute more than 15,000 appointment letters to newly appointed youth in Government departments and organizations in Rajasthan. These include over 5770 animal attendants, 4190 junior assistants, 1800 junior instructors, 1460 junior engineers, 1200 third-grade level-2 teachers among others.
