The Department of Telecommunications (DoT) is actively participating in the Swachhata Hi Seva (SHS) 2025 campaign from September 17 to October 2 across its various organizations and Public Sector Undertakings (PSUs) nationwide. Embracing the festive spirit under the theme “**Swachhotsav**,” the campaign motivates citizens to contribute to the nation’s cleanliness efforts through activities such as walkathons, nukkad nataks (street plays), competitions, and more. Additionally, cleanliness drives are being conducted by DoT’s PSUs and field offices throughout the country.

In response to the call for a simultaneous nationwide shramdaan event, “**Ek Din, Ek Ghanta, Ek Saath**,” a voluntary shramdaan activity was held at the DoT Headquarters on September 25, 2025, at 8:00 AM near the Metro Station Parking at Patel Chowk, New Delhi. The event was led by senior officers of DoT HQ, with enthusiastic participation from officials and staff.

The Department of Telecommunications remains committed to enhancing citizen services and ensuring better delivery for all.
