

NIFTEM-K Signs Strategic MoUs and Transfers Breakthrough Technologies to Industry Partners during WFI-2025

Posted On: 01 OCT 2025 2:33PM by PIB Delhi

National Institute of Food Technology Entrepreneurship and Management, Kundli (NIFTEM-K), an Institute of National Importance under the Ministry of Food Processing Industries (MoFPI), Government of India, has signed **nine strategic Memoranda of Understanding (MoUs)** with leading organizations, industry partners, and academic institutes in the food processing sector during World Food India-2025. In parallel, the Institute has successfully transferred **seven innovative technologies** developed by its scientists to reputed companies, further strengthening the bridge between academia and industry.

The technology transfers took place in the august presence of **Shri A. P. Das Joshi, Secretary, MoFPI, and other senior officials from Minister. Dr. Harinder Singh Oberoi, Director, NIFTEM-K**, exchanged the copies of Licenses and MoUs with partners. The technologies transferred include:

- *Instant Composite Millet-Based Kheer Premix* to **RDz Bakery**
- *High Nutrient Ready-to-Eat Bars for Dietary Management of Metabolic Disorders & Probiotic Products and High Altitude Nutrient Rich Bar* to **Hexagon Nutrition Ltd.**
- *Rapid Cattle Pregnancy Kit and Rapid Paneer Adulteration Kit* to **ARF Life Sciences**
- *Eggless Cake Premix Technology* to **Crop Pure Pvt. Ltd.**
- *Millet Puffs* to **Yes Bee Foods Pvt. Ltd.**
- *Saksham Anganwadi and Mission Poshan 2.0 Initiatives* to **Interlink Foods Pvt. Ltd.**
- *Unfermented Mayo* to **Jiwanmitra Nutraceuticals Pvt. Ltd.**

To further boost collaborative efforts, MoUs were signed with the **Quality Council of India, The Good Food Institute, Almond Board California, Danone India, Clear Meat Pvt. Ltd., Government Institute of Medical Sciences (Greater Noida), Institute of Bioresources & Sustainable Development (Imphal), Rejuvome Therapeutics (Bangalore), and the Institute of Liver and Biliary Sciences (New Delhi).**

These partnerships and technology transfers reaffirm NIFTEM-K's mission to drive food innovation, enhance nutritional security, and promote sustainable growth in India's food processing sector, empowering entrepreneurship and delivering impactful solutions for society.
