

Special Campaign 5.0 in Ministry of New & Renewable Energy and its PSUs/Institutions – Preparatory Phase Completed and Implementation Phase from 2nd October, 2025

Posted On: 10 OCT 2025 1:54PM by PIB Delhi

The Ministry of New & Renewable Energy (MNRE), along with its CPSUs and Autonomous Institutes, has successfully completed the *Preparatory Phase* of **Special Campaign 5.0**, launched by the Department of Administrative Reforms & Public Grievances (DARPG) for institutionalising *Swachhata* and minimising pendency in Government offices. The Preparatory Phase was carried out from **15th September to 30th September, 2025**.

During this period, the following activities were undertaken:

- Identification of pendency across various parameters.
- Review of physical and e-files.
- Record management, categorisation, review and weeding out of obsolete records as per CSMoP and the Public Records Act, 1993.
- Special focus on space management and overall cleanliness in Government offices.
- Identification and disposal planning of redundant materials, scrap and e-waste.

The Ministry, its two CPSUs — **Indian Renewable Energy Development Agency Ltd. (IREDA)** and **Solar Energy Corporation of India Ltd. (SECI)** — and its three Autonomous Institutes — **National Institute of Solar Energy (NISE)**, **National Institute of Wind Energy (NIWE)** and **Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE)** — actively participated in the preparatory phase.

With the successful completion of this phase, the Ministry is now fully geared up for the *Implementation Phase* of the Campaign, which commenced from **2nd October, 2025** and will continue up to **31st October, 2025**. During this period, sustained efforts will be made to achieve all identified targets and further strengthen the culture of cleanliness and efficiency in Government functioning.
