

Prime Minister meets President and CEO of Qualcomm; discusses India's strides in AI innovation and skilling

Posted On: 11 OCT 2025 2:03PM by PIB Delhi

The Prime Minister, Shri Narendra Modi met Mr. Cristiano R. Amon, President and CEO of Qualcomm, and discussed India's advancements in artificial intelligence, innovation and skilling.

The Prime Minister expressed appreciation for Qualcomm's commitment towards India's Semiconductor and AI Missions. He noted that India offers unmatched talent and scale to build technologies that will shape the collective future.

Mr. Cristiano R. Amon, President and CEO of Qualcomm thanked the Prime Minister for the enriching discussion on strengthening the partnership between Qualcomm and India in support of the IndiaAI and India Semiconductor Missions, as well as the transition to 6G. He highlighted the opportunities to develop an Indian ecosystem across AI smartphones, PCs, smart glasses, automotive, industrial sectors and more.

The Prime Minister wrote on X;

“It was a wonderful meeting with Mr. Cristiano R. Amon and discussing India's strides in AI, innovation and skilling. Great to see Qualcomm's commitment towards India's semiconductor and AI missions. India offers unmatched talent and scale to build technologies that will shape our collective future.

@cristianoamon

@Qualcomm”
