

EPFO Extends date of filing of new ECR up to 22nd October 2025

Posted On: 13 OCT 2025 6:35PM by PIB Delhi

The Employees' Provident Fund Organisation (EPFO) has launched revamped Electronic Challan-cum-Return (ECR) system, which is applicable starting wage month September 2025. The revamped system aims to simplify and enhance user experience of the return filing process for employers via the EPFO's employer portal.

However, considering the request from a number of employers in adapting to new features of the revamped ECR and consequent difficulty in filing returns by the establishments, it has been decided to extend the date of ECR filing till 22nd October 2025 for the wage month September.

In order to facilitate smooth transition to the revamped Electronic Challan-cum-Return (ECR) system, the Employees' Provident Fund Organisation (EPFO) has also undertaken a series of awareness program with employers and industry representatives across the country.

At the central level, EPFO held meetings with major industry bodies including the Federation of Indian Chambers of Commerce and Industry (FICCI) and the PHD Chamber of Commerce and Industry (PHDCCI), Employer Federation of India (EFI) to apprise them of the new features and procedural reforms introduced in the revamped ECR system. The discussions focused on the advantages of the new return filing process, including enhanced data accuracy, sequential return validation, and better compliance facilitation.

In continuation of this outreach, Zonal and Regional Offices of EPFO are also conducting interactive sessions and workshops with employers and establishment representatives. These programs aim to provide on-ground handholding support to establishments and ensure timely and error-free filing of returns under the revamped system.

EPFO remains committed to ensuring a seamless digital experience for employers and strengthening transparency and compliance in provident fund administration.
