Prime Minister Shri Narendra Modi today shared an article emphasising how Climate Justice is a moral duty for India and central to Global Climate Action.

Responding to a post by Union Minister Shri Bhupender Yadav on X, the PMO India handle said:

“Union Environment Minister Shri @byadavbjp emphasises that for India, climate justice is a moral duty and central to global climate action.

He highlights the need for fair, grant-based climate finance that recognises historical responsibilities and supports developing nations equitably.
