Prime Minister Shri Narendra Modi will visit Mumbai on 29th October 2025, and at around 4:00 PM, he will address the Maritime Leaders Conclave and chair the Global Maritime CEO Forum at India Maritime Week 2025, being held at the NESCO Exhibition Centre, Mumbai.

The Global Maritime CEO Forum, the flagship event of India Maritime Week 2025, will bring together CEOs of global maritime companies, major investors, policy-makers, innovators, and international partners to deliberate on the future of the global maritime ecosystem. The Forum will serve as a key platform for dialogue on sustainable maritime growth, resilient supply chains, green shipping, and inclusive blue economy strategies.

The Prime Minister's participation reflects his deep commitment to an ambitious, future-oriented maritime transformation, aligned with the Maritime Amrit Kaal Vision 2047. This long-term vision, built on four strategic pillars — port-led development, shipping and shipbuilding, seamless logistics, and maritime skill-building — aims to position India among the world's leading maritime powers. India Maritime Week 2025 serves as the Government of India's premier global platform to translate this vision into action, bringing together leading stakeholders across shipping, ports, shipbuilding, cruise tourism, and blue economy finance.

Being organised from 27th to 31st October 2025, under the theme "Uniting Oceans, One Maritime Vision", IMW 2025 will showcase India's strategic roadmap to emerge as a global maritime hub and a leader in the Blue Economy. IMW 2025 will draw participation from over 85 countries, featuring more than 1,00,000 delegates, 500+ exhibitors and 350+ international speakers.
