

Workshop on “National Cyber Security” organized under Special Campaign 5.0 in the Legislative Department

Posted On: 29 OCT 2025 9:24PM by PIB Delhi

As part of Special Campaign 5.0, the Legislative Department organized a special workshop on “National Cyber Security” on 29th October, 2025. The Workshop was chaired by Dr. Rajiv Mani, Secretary with the presence of Shri R.K Pattanayak, Additional Secretary and Nodal Officer, Dr. Manoj Kumar, Additional Secretary, Dr. K.V Kumar, Additional Secretary and other Senior Officer of this department. The session was conducted by experts from the National Informatics Centre (NIC). The objective of the workshop is to create awareness among officials and staff about cyber security, data protection, password management, identification of phishing emails, and best practices for maintaining safe digital behaviour. NIC experts shared practical tips on maintaining cyber hygiene and informed participants about the latest tools and measures to ensure digital safety. A large number of officers and staff members from the department actively participated in the session and resolved to incorporate cyber hygiene practices into their daily official work. This initiative marks an important step under Special Campaign 5.0 towards promoting digital awareness and strengthening cyber security culture within the department. The Workshop has been conducted successfully under the Supervision of Shri R.K Pattanayak, Additional Secretary and Nodal Officer of Special Campaign 5.0 along with Smt. Rakhi Biswas, Under Secretary, Shri Prashant Bhardwaj, Section Officer and other officer/staff of the Legislative Department.
