

Prime Minister shares vision of India's maritime renaissance, invites global investment

Posted On: 30 OCT 2025 3:15PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has shared his thoughts on India's emergence as a leading destination for investment in the maritime sector. He emphasised that India is the perfect harbour when it comes to investing in the maritime sector. We have a very long coastline. We have world-class ports. We have infrastructure, innovation and intent. Come, invest in India, Shri Modi further added.

In a detailed post on his LinkedIn page, the Prime Minister outlined how India's strategic location, modern port infrastructure, and commitment to innovation are opening up tremendous opportunities for investors in ship-building, port operations, logistics, coastal shipping and allied services.

He said that with a coastline exceeding 7,500 km, and an expanding network of globally competitive ports, India is poised to become a major maritime hub- offering not only connectivity but value-added services, green shipping initiatives, and industry-friendly policy frameworks.

The Prime Minister called on domestic and international investors to "come, invest in India" and be part of the country's maritime growth story- underpinned by robust infrastructure, clear intent and emerging innovation ecosystems.

Sharing his thoughts written on LinkedIn, the Prime Minister wrote on X;
