The Department of Public Enterprises (DPE), Ministry of Finance, successfully concluded Special Campaign 5.0 with achievements across all targeted parameters.

The Special Campaign 5.0 — organised in two phases — the Preparatory Phase (16th September to 30th September, 2025) and the Implementation Phase (1st to 31st October, 2025) focused on effective disposal of pending matters, office cleanliness, space management, and improvement of the overall work environment.

During the Special Campaign 5.0, the DPE achieved the following key outcomes: -

- All identified pending matters were reduced to 'NIL', reflecting DPE's emphasis on timely disposal.
- 1-CTU site located in Block 14, CGO Complex, was identified and subsequently beautified.
- A total of 550 files were reviewed and weeded out, ensuring better record management and space optimization.
- The DPE freed up 180 sq. ft. of office space.
- Four social media posts were made on X.com, including the DPE Secretary inspection of office on 24th October, 2025.
- A committee on e-waste management identified 45 unserviceable items (including AIOs, printers, and desktops) for disposal. Against the minimum expected value of Rs. 31,700.00 a total of Rs. 94,501.00 was realised through MSTC e-auction.
- DPE Secretary reviewed the office premises located on the Ground, 3rd, and 4th floors of the CGO Complex.
- Nodal officer inspected the record room on 24th October, 2025.
- As part of best practices in the DPE's premises attractive waiting areas with comfortable seating and floral arrangements were created on each floor, providing a welcoming and professional environment for visitors and employees.
