Indian Naval Ship (INS) Sahyadri is at Guam in the Northern Pacific for participation in the multilateral Exercise Malabar-2025.

The participation of INS Sahyadri in Exercise Malabar-2025 reaffirms India's enduring partnership and its commitment to strengthening coordination, enhancing interoperability, and demonstrating a collective resolve to safeguard regional security.

Indigenously designed and constructed, INS Sahyadri is a Guided Missile Stealth Frigate. The ship is a shining example of the '*Aatmanirbhar Bharat*' vision and has participated in several bilateral and multilateral exercises, as well as operational deployments.

The Harbour Phase of Exercise Malabar-2025 will feature operational planning and discussions, alignment on communication protocols, familiarisation visits between participating nations, and sports fixtures. Following the harbour phase, all participating units will proceed for the Sea Phase, wherein ships and aircraft will take part in naval drills, focusing on **joint fleet operations, anti-submarine warfare, gunnery serials and flying operations**.
