

Prime Minister shares an article highlighting India's opportunity to reshape global climate finance

Posted On: 18 NOV 2025 12:48PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has shared an article by Union Minister Shri Bhupender Yadav highlighting that there is a strong opportunity to reshape global climate finance with greater transparency and common standards.

The article points to India's draft Climate Finance Taxonomy and growing domestic green finance as examples of pragmatic leadership that can guide a more effective global architecture for the future.

Responding to the article written by Union Minister, Shri Modi said;

“Union Minister @byadavbjp highlights that there is a strong opportunity to reshape global climate finance with greater transparency and common standards.

He points to India's draft Climate Finance Taxonomy and growing domestic green finance as examples of pragmatic leadership that can guide a more effective global architecture for the future.”

For decades, the ambiguity on climate finance has undermined trust. This is the reason why PM Shri [@narendramodi](#) ji reminded the world, 'as we track climate mitigation, we must also track climate finance'.

In [@IndianExpress](#), I write on why 'It's time to fix climate finance'.
