

Progress of Agro Processing Clusters under PMKSY

Operational Status of Food Processing Clusters

Status Update on Agro Processing Cluster Development

प्रविष्टि तिथि: 04 DEC 2025 3:20PM by PIB Delhi

The Ministry of Food Processing Industries (MoFPI) has been implementing a Scheme for Creation of Infrastructure for Agro Processing Clusters (APC), a component scheme of the Pradhan Mantri Kisan Sampada Yojana (PMKSY) for development of modern infrastructure to encourage entrepreneurs to set up food processing units based on cluster approach in the country. Under the scheme, grants-in-aid @ 35% of the eligible project cost is provided in General Areas and 50% of the eligible project cost in North Eastern States including Sikkim and difficult areas including Himalayan States (Himachal Pradesh, J&K & Uttarakhand), notified ITDP areas and Islands subject to a maximum of Rs.10.00 crore. The APC scheme is not sector specific. The scheme envisages for development of common basic enabling infrastructure and core infrastructure as per the requirement of food processing units. As on date, Ministry has approved 40 agro processing clusters since 2020 under the scheme. The details regarding location, operational status, types of investment partners, public and private investment, estimated employment generated, number of farmers benefitted and ancillary units benefitted within each cluster are attached as **Annexure**.

The project implementation agencies have to themselves obtain all statutory clearances including planning implementation, land acquisition, regulatory clearances, market linkages and technology adoption. In case of request received from the project implementation agencies, Ministry takes up the matter with concerned departments/agencies to resolve the issues faced by the project implementation agencies.

This information was given by the Minister of State for Food Processing Industries Shri Ravneet Singh in a written reply in Lok Sabha today.
